

The Fourth of July

Roll out the Red, White & Blue! If you haven't decorated yet, you better get busy! Let's show our Wells Branch Spirit. Hang your flags out NOW. Let everybody know that you're ready to celebrate! Meet in front of the community center at 9:30am. The parade takes off at 10am. If you've never been to one of our parades before, then you should probably know we have decorated bikes, wagons, trailers, DOGS, KIDS, hats, motorcycles and floats. It's a grand event! If you wish to include a float in this year's parade, please contact the MUD Rec. Staff at 512-251-9814.

2015 Parade Route

Depart Community Center
West on Klattenhoff
Right on Alpha Collier
Right on Fronia Woodward
Right on Cervin Blvd.
Right on Wells Port Dr.
Right on Crystal Shore Dr.
Right on Klattenhoff to KF Park

When the parade returns to the Community Center, we kick off a FULL day of events.

There will be children's activities throughout the park from 11am-2pm and free admission to KF Pool with games from 12-4pm. The Kiddy Train will be all revved up and giving rides and there will also be balloon clowns, an adventure inflatable, and a new challenge course game from 11am-3pm. WB Community Church will be in the courtyard from 11am-2pm with carnival games. Be sure and look for the dunk tank and capture a moment in the 4thFest photo booth. Cool off inside the Community Center and get your face painted by Dianne Koehler and crew—ALL FOR FREE!!! And don't forget to visit the WBNA Silent Auction.

Live entertainment starts at 11am and goes through 5pm under the big tent with a magician, live music from **Off the Record**, a ventriloquist, and then MORE music! Throughout the day, concessions will be available from local restaurants and community service groups offering a variety of items to enjoy. For a complete list of entertainment and food, visit wbna.us or wellsbranchmud.com.

The Silent Auction is back this year and benefits the WBNA. Money raised from this event funds the Easter Egg Hunt,

Celebrate Independence Day the WB Way at 4th Fest!

By Debby Thompson, WBNA President

National Night Out, our participation in Halloween Trunk or Treat, Friday night at Luminary Fest and all of the educational and safety seminars we put on throughout the year. Come check out all the wonderful gift baskets and gift certificates donated by WB friends, neighbors and businesses and start placing your bids as soon as the parade returns. Contact Debbie Brown at silentauction@wbna.us or 512-422-2372 if you have an item or service you'd like to donate or if you'd like to volunteer at the Silent Auction. We can **ALWAYS** use a hand!

As the afternoon winds down, we hope you'll join us as Wells Branch Celebrates Independence Day with a fireworks show to remember. The display will be fired over Willow Bend Pool at the corner of Sauls Drive and Bratton Lane beginning at 9:30pm. You can view the show anywhere along Shoreline Drive, Long Vista Drive, Bratton Lane and even Mills Pond. No parking or spectators will be allowed on Sauls Drive from Bratton Lane to Crissom Drive. Parking will be limited so we encourage residents to walk or bike utilizing the various bike lanes and hike and bike trail.

Come show your spirit, and remember - **YOU make WB GREAT!**

**Fireworks display is subject to change or cancellation depending on weather conditions so check our website for updates.*

*Some restrictions apply. Not valid with other offers. Not to be combined with insurance. Offer expires 8/31/15.

** When a first complete pair is purchased at regular price. Some restrictions apply.

Not valid with other offers. Not to be combined with insurance. Offer expires 8/31/15.

FIREWORKS REMINDER: These restrictions remain in effect at ALL times even if the County is not enforcing a fireworks or burn ban.

USE OF FIREWORKS ON MUD PROPERTY IS PROHIBITED AT ALL TIMES. This includes all MUD facilities, parks, trails, greenbelts, Mills Pond, drainage detention areas, the veloway, and the grassy area located at Robert I. Walker and Charla Circle. For any questions concerning firework use on district property, please contact the MUD office at 512-251-9814.

IN ADDITION, TEXAS LAW PROHIBITS THE DISCHARGE OF FIREWORKS ON SCHOOL DISTRICT PROPERTY. The Texas Occupations Code, Chapter 2154, Subchapter F, Section 2154.251 (a) (1), states that a person may not explode or ignite fireworks within 600 feet of any church, a hospital other than a veterinary hospital, an asylum, a licensed child care center, or a public or private primary or secondary school or institution of higher education unless the person receives authorization in writing from that organization.

Fireworks Safety Tips

Annually just under 10,000 Americans are injured by fireworks. If you choose to celebrate with fireworks this 4th of July, follow these safety tips from the Travis County Fire Marshal:

Before you shoot:

- **DO NOT LET YOUR CHILDREN BUY FIREWORKS WITHOUT ADULT SUPERVISION**
- Only buy from reliable fireworks vendors
- Never experiment or attempt to make your own fireworks
- Store fireworks in a cool, dry place
- Find a smooth, flat surface - away from the house and other buildings, or dry leaves and grass
- Be sure to have water handy in case of a malfunction or fire
- **ALWAYS HAVE ADULT SUPERVISION!**

When you're ready to shoot:

- **NEVER ALLOW CHILDREN TO PLAY WITH OR IGNITE FIREWORKS**
- Always read and follow label directions, warnings, and instructions
- Be considerate of your neighbors
- Only ignite fireworks outdoors, and away from houses and other buildings
- Be sure other people are out of range before lighting fireworks
- Light only one firework at a time
- Never try to re-light fireworks that have not fully functioned
- Never give fireworks to small children, even sparklers can cause serious burns
- Never throw fireworks at another person, vehicle, or animal
- Never carry fireworks in your pocket
- Never shoot fireworks in metal or glass containers
- Dispose of spent fireworks properly - **CLEAN UP the STREET**

**Honesty.
Respect.
Professionalism.
Courtesy.**

...31st year serving Wells Branch...

Yes, Keep Conserving Water— The Drought Is Not Over!

By Mike Howe, Executive Director, Texas AWWA

Nearly a month ago we saw the devastating Memorial Day floods rip through Central Texas bringing Mills pond to the highest level I have ever seen, only to be followed by more flash floods tied to Tropical Storm Bill. May was the wettest month on record.

As expected after all of this rain, I have seen many comments suggesting it is time to end watering restrictions because the 'drought is over.'

But, weather and water experts disagree. Instead, the word coming from everyone from the state meteorologist, the Texas Water Development Board and conservation specialists is this. The past five years have shown us what can happen when we come close to running out of water. The implications are huge for people, industry and our economy. We have learned that without a reliable water supply, our lives can be forever different.

Wells Branch buys our water from the City of Austin, so we are dependent on the water in Lakes Travis and Buchanan for our drinking water. As a matter of practicality, we are to follow the restrictions put forth by the LCRA and the City of Austin. But, we have also been able to easily keep our lawns growing with watering once a week, and even Saint Augustine grass will survive in the August heat with once a week watering. This has been proven in many tests. It may not be lush green you see today, but don't forget that if not for some simple geology and geography, we wouldn't be able to have even small green plots of grass. We do live on the edge of a desert. To their credit, many residents understand this reality and have added xeriscape lawns and gardens and adopted rain barrels and drip irrigation as the smarter way to maintain excellent looking yards even in the worst of droughts. Plus, the MUD is doing their part by using their new highly productive well for park irrigation. Keep in mind that throwing expensive drinking water on the ground is not the smartest use of our limited life sustaining resource.

We don't want to fall into what is a known 'affliction' that tends to follow after drought. Many of us are aware of the hydrological cycle, which describes the natural movement of water through oceans, clouds and rain. But, after drought, many of us fall into "the hydro-illogical cycle." This known effect occurs when we go through periods of wet weather and we forget that drought can happen. Eventually things dry out and suddenly we notice there's a problem and panic sets in, and before we can really do anything permanent to solve the problem, it rains again and we forget that there's going to be another drought coming. This is the fear of water professionals all over the State.

The solution is simple. Today could be the beginning of the next drought. The conservation practices learned during the drought's peak should be continued, despite the recent soaking. All of us in Wells Branch should keep following the best practices of adding and maintaining low water landscaping and gardening techniques and watering yards once a week. It's good for all of us, saves water and money. It just makes good sense.

We LOVE our Rat Snakes! by Brad Dushkin

It's been a warm, wet spring and the snakes abound. A rat snake looks intimidating but is actually beneficial to our area. It is non-venomous and usually eats rats, mice, and sometimes birds and lizards, killing by constriction. It is not a threat to you, your kids or pets.

It can look like a rattlesnake and might even shake or vibrate its tail as a defense mechanism to try to resemble a rattlesnake, which unnerves those who encounter it. However, it is reluctant to bite unless you try to capture it. Rat snakes are the most common large snake in central Texas (up to 6 ft!) and help keep rodent populations in check. If you come across one, just let it be; it'll slither back into the sewer or ditch on its own.

Tip of the Month from Your Emergency Services District: Cooking Fires

Let us identify some behaviors that reduce the number of cooking fires in our community.

- Most cooking fires involve the stovetop.
- The most common type of cooking fire is cooking left unattended. Stay with the item cooking.
- Curtains, towels, paper towels and paper plates should be well away from the burners.
- Wearing tight fitting sleeves or short sleeves are recommended. Baggy sleeves can be ignited by the burners.
- If a pan does catch fire, turn off the burner and carefully slide a lid or cookie sheet over the top of the pan, smothering the fire. Do not move the pan on fire. Wait until it is cool before re-opening.
- Stop, drop, and roll will smother the fire if clothing is ignited.
- If you are burned, run cool water for 3-5 minutes over the burn to cool it off.

Travis County ESD No. 2 - "Because we Care"

KUDOS!

Y'all were most impressive Memorial Day weekend! Delivery was the quickest, smoothest EVER in the 7 years I've been on the WBNA Board (in spite of the wet weather). Thanks to each of you for taking time out of your weekend to help build community spirit and keep your neighbors informed! Your efforts are very much appreciated!

Thank You Margret, for 25 Years

The WBNA would like to thank Margret Wingrove of Crossroads Utilities, for her 25 years of service as Utility Manager for the Wells Branch MUD, first through Severn Trent, then Southwest Water and finally with Crossroads Utilities. Margret exemplified quality customer service and was always accessible to the community; she has been the friendly voice on the other end of the line no matter what our emergency. Margret has strived to take care of the customer while caring for the District and has always been willing to work with residents to continue service while accommodating their hardships. Her passion for educating residents on how they could save water and care for their home investment manifested in frequent contributions to the WBNA *Neighborhood News*. We will miss her greatly and wish her the very best in retirement!

Summer Sun Safety – Essential in Central Texas

Submitted by Pam Wachholz

It's that time again, the kids want to be outside every daylight moment; the lawn begs for regular attention; and WB's great pools and playgrounds are beckoning to be used. BUT, enjoying the summer outside leaves our skin vulnerable to one of the deadliest forms of cancer—malignant melanoma.

Did you know that every blistering sunburn received before the age of 18 GREATLY INCREASES the chance of developing skin cancer as an adult? Here are some tips to help prevent damaging sun exposure in both adults and children.

- Stay out of the sun during peak hours (10am-4 pm)
- Wear a wide brimmed floppy hat, the wider the better
- Use a high SPF of sunblock (the higher the SPF the longer you have protection) with both UVA and UVB protection
- Put your sunblock on indoors, 30 minutes before sun exposure
- When swimming or sweating a lot, pat yourself dry (rubbing will remove your sunblock) and reapply according to the manufacturer's instructions
- When possible, wear light colored long sleeves & pants to protect skin
- Wear UV-protective sunglasses to shield your skin and eyes from the sun
- Avoid Indoor Tanning

Minimizing your children's exposure to sunlight between 10am and 4pm and keeping them covered up when they are in the sun will help protect them from future problems. Again, scientists have found a link between childhood sunburn and skin cancer later in life. As teens and adults, we should all avoid exposure to radiation from sunlamps, tanning parlors, or other artificial tanning devices. Exposure to UV rays from any source can lead to skin damage.

Let's all be smart and safer in the sun this summer as we enjoy all that WB and Central Texas has to offer!

Much information gathered from <http://www.skincancerprevention.org>

Chicoine Chiropractic

www.chicoinechiropractic.com

\$50 Invitation to Better Health

•Includes a 20 minute therapeutic massage

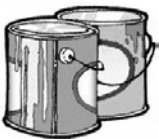

Initial consultation, exam, x-rays if necessary, and a discussion of the results.

3407 Wells Branch Pkwy. #625 - Austin, TX 78728

(512)255-1777

Near Walgreens at the corner of Wells Branch Parkway and Mopac.

Our Family Has Been Caring For Your Family Since 1989.

Extreme Clean July - Hazardous Waste Collection • July 11

Bulk Trash, Metal, Electronics, Styrofoam Recycling & Easter Seals Drop Off

Wells Branch Maintenance Yard • 13905 Thermal • See article for specific times!

Yard Chemicals • 14909 Alpha Collier

Bring your old batteries, oil, paint, and antifreeze to the WB MUD Maintenance Facility at 13905 Thermal Drive, Saturday, July 11, from 8am-5pm. The MUD is providing a trailer and staff to transport these items to the Hazardous Waste Facility in far South Austin as part of our continued Keep Wells Branch Beautiful efforts.

There are restrictions as to what can be collected and transported. Oil, paint and anti-freeze need to be in closed containers. If bringing car or boat batteries, a cardboard box would be appreciated (but not necessary). We cannot take light bulbs, fertilizer or other chemicals at this location. Home Depot and Lowes will dispose of light bulbs. Dianne Koehler will be collecting fertilizer and other yard chemicals at 14909 Alpha Collier for repurposing via freecycle.com, craigslist.com and the WB Google Group on July 11 from 8am-5pm.

Support Summer Scout Camps

Troop 1409 will be selling soft drinks at each of the Movies in the Park events, 4th Fest, and Renaissance Day in the Park. Venture Crew 1409 will be selling watermelon slices at the same events. Please come out and help support our youth! Proceeds go towards summer camp funds.

In addition to the usual bulky trash collection, Easter Seals is sending a truck at 4:30pm to pick up donations of clothing, pots & pans, household goods, etc.

Global Environmental Systems (GES), our WB neighbor will be on hand all day to recycle electronics. Basically, if it has a cord, they'll take it. GES is certified to safely dispose of/recycle computer systems as well. And as a special treat, perhaps for the last time, we'll be collecting Styrofoam too!

WBNA will also be collecting items for ATXAHH and St. Andrews to distribute to the Austin area homeless population. See article on page 10 for details.

The next Extreme Clean Event will occur on October 10 and will include free shredding and hopefully drug take-back. See WBNA.us for details.

St. Andrews Variety Show

Saturday, August 22, 5:00 PM - The 10th Annual St. Andrew's Variety Show. Whether you are a singer, instrumentalist, poet, actor, dancer, storyteller, jokester, puppeteer, magician, mime, or other, **The St. Andrew's Variety Show** is an exciting opportunity to share your gift and experience the joy of entertaining (and being entertained by) others. Signup will start in July. Admission will be free. **www.openearsconcerts.com**

MUD Events

Movies in the Park

July 11 • *Paddington* | August 8 • *Maleficent*

Wells Branch MUD presents Movies in the Park at Katherine Fleischer Park. Admission is free. Ice cream will be available for purchase from Cub Scout Pack 140 and Boy Scout Troop 1409 will be selling drinks. Bring your blankets and chairs and enjoy these family events. Parking is limited so residents are encouraged to walk or ride a bike. Pre-movie activities start at 8pm with the movies beginning at dusk.

We had a great turnout for Big Hero Six on June 6! Check out the WBNA Facebook page for photos!

Teen Pool Parties!

July 17 | July 31 • 9pm-Midnight

KF Pool • 2106 Klattenhoff Drive

\$3 with Rec. Tag | \$5 without Rec. Tag

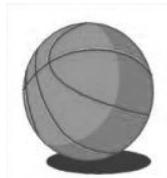

For the third year in a row, WB MUD is hosting late night teen pool parties at the KF Pool with music & pool games setup. Pizza and Drinks will be provided. Parties are open to anyone between the ages of 12 and 16.

Basketball Skills Clinic

Open to all levels, this clinic is designed to hone your skills using drills, games and scrimmages indoors under the supervision of a coach. You're guaranteed to dribble away a better player! For more info or to register online, visit: wellsbranchmud.com or call 512-251-9814.

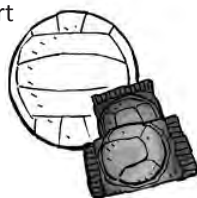

Location: WB Rec. Center
Days: Mondays & Wednesdays
Time: 12-3pm
Session 2: July 6-July 22
Fee: \$100 per session

Volleyball Skills Clinics

Open to all levels, this unique and professionally run clinic will teach fundamentals of playing indoor and sand volleyball. Depending on the skill level, we will teach everything from simple ball handling (passing and setting) to more advanced skills (hitting, serving, defense, offense). We will also work on conditioning and overall physique. With focus on building confidence and learning about sportsmanship, teamwork and leadership, this clinic is just what your child needs to become a true team player! For more info or to register online, visit: wellsbranchmud.com or call 512-251-9814.

Skill Level/Ages: Beginner-Intermediate (10-16yrs)
Tuesdays: 10am-Noon • KF Park Sand Court
Thursdays: 10am-Noon • Rec. Center Gym
Session #1: July 14-July 30
Session #2: August 4-August 20
Fee: \$125 per session

Volleyball Pre-Tryout Clinic

This "Get Ready for Tryouts" volleyball clinic is designed to help players get back into their volleyball shape and get them fully prepared for their school and club tryouts. This session is ideal for more experienced players who are serious about improving and building onto their current skills. The first 30

minutes of every session will be focused on specific injury prevention workouts (run by licensed fitness trainer/massage therapist); we will then dive into high-level/high-impact drills with focus on improving players overall performance and teaching the tactical aspects of the game. WE WILL WORK HARD - TO PLAY HARD!

Skill Level/Ages: Intermediate-Advanced (13-17yrs)

Wells Branch Rec Center

1-3PM • July 21, 23 & 24

Fee: \$100

Swim Lessons

Both Group and Private Swim Lessons are available all summer. Contact the MUD Customer Service at 512-251-9814 for more information and scheduling or visit http://www.wellsbranchmud.com/camps_and_programs/ to download the MUD Swim Brochure or to register online.

JUNIORS: <http://tinyurl.com/JnrArt15>

Labor Day Casino Night

September 5 • 6-9pm • WB Community Center

Wells Branch MUD presents its annual Labor Day Casino Night Saturday, September 5, from 6-9pm. An adult only evening of gaming for our residents, this event is for ages 21 and up only and IDs will be checked at the door. Join us at 3000 Shoreline Dr. as the Rec. Center is transformed into a casino using professional tables and dealers. Stick around following the gaming for more fun and the opportunity for "winners" to cash out and place tickets towards drawings for several prizes. As a fundraiser, Venture Crew 1409 will be providing childcare for donations on-site.

Renaissance Day in the Park

September 20 • 10am-2pm • KF Park

Come get a taste of medieval times thanks to collaboration between Wells Branch and the local chapter of the Society for Creative Anachronism. The society is an international association of people who re-enact the Middle Ages as they will for Wells Branch with chivalric and rapier demonstrations along with individual guilds including clothiers, fiber artisans, leatherworkers, dancers, scribes, brewers, metal workers, glass engravers, enamellers, herbalists, and others. Many of the ancient arts will be on display in the baseball field at Katherine Fleischer Park. The event will be from 10-2 p.m. and is free to the public. Roasted corn, sausage on a stick, and drinks will be available for purchase.

Wells Branch Soccer Association – Fall 2015 Registration is OPEN!

by Chris Connell, WBSA Registrar

Registration is now open for Wells Branch Soccer Association (WBSA) Fall 2015 season. Games are scheduled to start the weekend of September 12, 2015. Expect practices to start one to two weeks before that weekend.

We are excited to announce that there will be discounts for families that have more than one child playing soccer with WBSA. After the first child registers, a \$25 discount will be applied to the next registration. You must use your Family Account login to receive the discount. Any questions regarding registration and applying the family discount may be directed to the WBSA Registrar, Chris Connell, by sending an email to connellc17@yahoo.com

Please go to the WBSA website wellsbranchsoccer.com to register today before our rosters fill up!

Vacation "Close Patrol Requests"

If you're traveling this summer, take a few minutes to let the Sheriff's Office know you'll be gone. This is done by calling 512-854-9721 and telling them you'd like to file a "Close Patrol Request". If you have anyone house/pet sitting or picking up the mail, TCSO will want a description and vehicle information. Your address will be added to a list and when the deputies are in the area or have a free minute, they'll check on your home.

With life insurance, the benefits live on.

Disc Golf News by Brian Litke, Wells Branch Disc Golf Club Focus on Veterans at WB Disc Golf Course

The Wells Branch Disc Golf Club is sponsoring the 2nd Annual Day of Disc Golf for Veterans at Wells Branch on Saturday, July 18, 2015. This free event is held in partnership with Team Red, White, and Blue, a non-profit with the mission of "enriching the lives of America's veterans by connecting them to their community through physical and social activity."

The local disc golf group Women Throwing Frisbees will give a pre-round disc golf clinic to explain the rules of the game. Awards will be given in the veterans division. Family and friends of veterans can also participate in a supporters division. Loaner discs will be available for people new to the sport who want to play. Last year, over 30 veterans competed in this event, many of them playing the sport for the first time. The veterans appreciated the event, and supporters were honored to spend time with their veteran fathers, brothers, sisters, mothers, and friends. Please encourage the veterans you know to come out to the course and play.

Notice of Change to WBNA Bylaws

The Bylaws of the WBNA were last revised in 1999 and have needed to be updated for some time. Below is a brief list of proposed revisions for member consideration. The original Bylaws as well as the proposed Bylaws are online at wbna.us under the "About Us" tab. Please review and post any comments you may have to the website or email info@wbna.us. A general meeting of the Wells Branch Neighborhood Association will be held at the end of July to consider the recommended amendments. Date and time TBA via the website, Facebook and the Wells Branch Google Group.

Current boundaries are listed by plat and do not include any of the homes built after 1985. Proposed boundaries will be expanded to include all of Wells Branch.

An increase in number of Directors from six to seven is also requested as an additional board member will allow us to better serve the community.

Officers are currently elected by position with one year terms. We propose replacing this system in the following manner:

- Place Numbers 1 through 7
- Two year staggered terms beginning in 2016
 - Each Director shall draw for a place number upon ratification of this document
 - Even places shall be elected in even years; odd places in odd years beginning in January 2016/2017
 - Self Alignment with division of duties for the following positions following each election: President, Vice President, Treasurer, Secretary, Director (x3). The Board may realign at any time and the title of Director may be replaced with appropriate positions as needed (e.g., Events Coordinator, Communications, Community Liaison).

Currently, a vacancy remains unfilled until the next general meeting of the members. Due to the infrequency of "general meetings" as opposed to "events", it is proposed that the board appoint a successor to serve until the next general meeting where they may be ratified or replaced by the members.

Tournament Celebrates 3rd Anniversary of Disc Golf Course

The Wells Branch disc golf course, originally a 9-target course installed in 1996, was expanded to 18 targets in 2013 and relocated to the greenbelt along Owen Tech Blvd, south of Wells Branch Pkwy. In celebration of the popular amenity, Wells Branch organized a disc golf tournament on May 9, 2015, complete with a special disc design for the event and door prizes for participants. The 3rd Annual Wells Branch Disc Golf tournament attracted 49 men and women players ages 20 to 65, and despite the plentiful rains in May, the clouds thinned for several hours during the event, which was enjoyed by all. Door prizes and prizes for division winners were sponsored by Branch BBQ, Thundercloud Subs on Grand Avenue Pkwy, Third Base Sports Bar, Waterloo Disc Golf Club, and Wells Branch Disc Golf Club.

Friends of the Library News

by Gus Kohn, President, FOL

The FOL will sponsor ***To Hell & Back: The WWII Story of Audie Murphy*** - Discover the adventures of America's most-decorated WWII hero, and his struggle to help veterans with PTSD, in this one-man show by Duffy Hudson! **Everyone** in the community is invited to this performance. There will be a Meet & Greet for **FOL MEMBERS** at 3:40 prior to the 4pm show. Not a member yet? Join online at www.wbfriends.org.

Wells Branch Heroes: This summer, we're celebrating the heroes in our community. Help us recognize the service members in our area, past & present. Please bring a **copy** of a photo of the military servicemen & women, police officers, firefighters, EMS, etc. in your family to be included in the display in the library. The exhibit will run through the summer.

The FOL sponsored a seminar on *Inspiring Hope for those with Rheumatoid Arthritis and Other Autoimmune Diseases*, presented by Lora Tucker Kaasch. Lora discussed her own strategies for coping with illness by offering health and fitness tips, the importance of gratitude and more. Attendees received a patient checklist for their next visit to the doctor as well as a copy of Lora's ebook.

Watch for details on exciting presentations from Vicky Linsalata speaking on the importance of a heart healthy plant based diet and Daniel White speaking on *EZ Home Maintenance & Homeowner Tips* to save you money. Dates and times for these events to be announced.

Are you a compulsive eater?
Do you worry about the way
you eat? Overeaters

Anonymous can help. No weigh-ins, dues or fees. WB neighborhood meeting at 6pm each Tuesday at St. Andrew's on Wells Port. For more information, call 512-791-5035.

Help the Homeless with Basic Living Supplies

by Angel Lugo

Clean out your closets and put those unused items directly into the hands of those who can use them! Every month for the past 5 ½ years, ATXAHH has collected basic living supplies and distributed them to people who are homeless. Usually more than 100 people are served in less than one hour. The group is 100% volunteer driven and supported by donations from the community at large. Residents in the Wells Branch area have, by far, been the largest supporters when compared to other neighborhoods in Greater Austin. Let's keep that momentum going!

Particularly useful items are:

- travel-sized toiletries: personal first aid kits, dental supplies and hand sanitizer (full size bottles take up too much space when your whole life is in 1-2 backpacks)
- seasonal items: chapstick, sunglasses, hats and bug wipes
- basic gear: duffel bags, back packs and personal wear (new underwear and white socks for both sexes)

These are just a few examples of the items we accept. Items we don't accept include medication, children's toys/clothing, or home décor/furniture. Please visit the Donations tab at atxahh.com for a complete list.

All items intended for our next event should be clearly labeled "ATXAHH" when dropped off at the July Extreme Clean event. If you have something but you're unsure if it's usable, just ask the Donations Coordinator at atxahhdona-tions@gmail.com. If you have items to donate but you're unable to go to the Extreme Clean Event, please contact us at the same email address and we'll arrange a pick up from your porch.

Running & Walking in WB

The WB Running Club meets every Tuesday and Thursday from 5:45-6:45am at the Gazebo in Katherine Fleischer Park. Call, Text, or E-mail: Russell@wbrunclub.com, 512-825-2369

WB Walking Club meets in front of KF Pool on Tuesdays & Thursdays at 7am. Some walk for thirty minutes, others for an hour at a very nice walking pace. Questions? Contact Katie Hutcheson at khutcheson@wellsbranchmud.com.

Silver Branchers

by Darlene Bauhs and Ron Robinder

We are an active group of seniors who gather for an afternoon of fun and laughter each week. We play many games and enjoy each other's company. Each Thursday, the Silver Branchers meet from 1-3pm at the WB MUD Annex at 14611 Wells Port Drive. An Ice Cream Social is planned for July 2nd. Day trips will resume in the fall. All residents 55 years and older are welcome.

WB Flood Cleanup Kudos

While the torrential rains of Memorial Day weekend brought WB some much needed relief, the flood waters left behind debris scattered throughout our trail system. A BIG Thank You to MUD Staff

who've worked diligently to clean and repair our parks and trails and to all who volunteered their time for Clean the Creek Day on May 31st:

Estrada Family | Frank and Leisha Richardson Family
Susanne Jones + Freddie, Max and Alexandra
Phil & Brandee Kwan | Trevor Batton | Chris Chilton
Joe, Tehra, Lincoln, Beckett, Oslo Wieck | Rob White
Brad Cross | Jay, Gwendolyn, Gabriel and Stella Johnson
Kendall Smith | Stephen, Grant and Anna Dzurenko
Kelly and Leah Sheffield | Holland Greig | James Foster
Steph and Joel Jeske | Chris, Alex and Keegan Connell
Charles and Nathan Ethridge | Preston & Morgan Simon
Edward, Hannah, Remy & Ari Garcia | Joe Petronis

A special thanks to Katie Hutcheson, Keep Wells Branch Beautiful coordinator for organizing the event!

Katie and a few of the volunteers get ready to hit the trails.

Hot Cars Kill Dogs

On an 85° day, it only takes **10 minutes** for the inside of your car to reach **102°!**

Cracking the windows or parking in the shade is NOT ENOUGH.

If you see a dog in a hot car:

1. Record information about the vehicle
2. Alert the management of the business
3. Call your local police department
4. Stay with the dog until help arrives

WWW.ASHEVILLEHUMANE.ORG

Birding in Wells Branch

by Wanda Holcombe

Thank you Wells Branch neighbors for sharing your plants, and donating your time and energy to our Nature Viewing Station (NVS) located just off the trail, south of the dam of Mills Pond. As you can see in the picture, the Memorial Day flood took a toll on the NVS, but with your help, it is replanted and looking better than ever. A special thanks, to Shelley Palmer and to Jane Tillman of the TAS (Travis Audubon Society) and Ed Travis of the NPSOT

(Native Plant Society of Tx) for their plant donations and to the volunteers who came out to help on Replant Day: Bob Bauhs, Karen Hagemann, George Holcombe, Wanda Holcombe, Heather Johnson, Bruce Jones, Vicky Linsalata, Sharon Richardson and Tracy Simon.

The native plantings of the NVS will provide food and shelter for our wildlife. Be sure and stop by sometime to enjoy all the new plants and catch sight of the birds and bunnies and other wildlife enjoying it too.

Our hosted Wells Branch Bird Walks will begin again in September, but join us on Saturday, July 18 for the Purple Martin Party-see details on page 12.

Happy Birding!

Wanda: wandah70@gmail.com

Sharon: srich816@austin.rr.com

Heather: frioswimmer@gmail.com

Concordia High School Celebrates Student Accomplishments

by Jim Binneboese

Located at 1500 Royston Lane, just north of Grand Ave. Pkwy, Concordia High School is the closest Christian High School to the Wells Branch population. This year was a special year for the school and for the recent 2015 graduating class. The 22 senior graduates will be attending such Colleges and Universities as Auburn, Southwestern, TX A&M, Texas Tech., Baylor, The University of Texas and others all over the country. It is noteworthy that the available scholarships offered to all the students totaled over \$3.1M as a group or about \$141,000. per student. This is a record amount of student funds available for the school which is in its 13th year. With college expenses increasing, these scholarship funds will surely help students as they transition into full college life.

As the graduates enter the College and University environment, they will be pursuing course work in Chemistry, Pharmacy, Special Education, Finance and Banking, Immunology, Cancer Research and other special fields. Executive Director David Mueller has expressed his gratitude to the faculty and staff and has added that "we are proud of these graduates, we love what they have accomplished and we pray for their future successes".

Concordia enrollment stands at about 140 at this time, offering a full curriculum of general classes as well as a full suite of AP credit level courses of study. Concordia High School is not just "college prep"; there is a full list of athletic programs, language, music, drama and extracurriculars. The temporary campus is on the 1500 Royston Lane property of the Grace Christian Church. Property for a permanent campus of classrooms, labs, chapel and athletic fields has been purchased, and will be on Heatherwilde Blvd. just north of Wells Branch Pkwy. The school welcomes all interested families to contact Concordia High School for more detailed information at 512-248-2547 or go online at chsaustin.org.

Purple Martin Watch Party, July 18

Watch a hurricane of birds as hundreds of thousands of Purple Martins "swirl" into their roosting site at the Purple Martin - Travis Audubon Society Party at Highland Mall/ACC Campus Parking Lot from 7:45-9:00pm. Be sure to bring a folding chair. It's a spectacular sight, some say it's better than the bats!

You can take the CapMetro train to Highland Station. See the schedule at capital-metro.transit-info.com

NWE Summer Update

by Betsey Harper and Cindy Padavick

Northwest wishes your family a safe and happy summer. Please encourage your child to make time in their day for reading. And don't forget to stop by and see Ms. Wilkinson, the NW library is open Tuesdays and Thursdays from 5:30-7:30pm.

"MEET YOUR TEACHER" at Northwest Elementary will be on August 20th from 5:30-6:30pm for ALL grades (Pre-K-5th). You are welcome to bring your school supplies to your classroom at these times.

We are looking for classroom parents so please let your child's teacher know if you are interested. It's going to be a GREAT school year REACHING FOR THE STARS!

Recycle Wells Branch!

Monthly recycling numbers are posted each month on our website. WB continues to hover at around 60-62% participation.

Please do your part. **Recycle and remind your neighbors!**

Recycling pickup only occurs every other week on regular trash collection days. For a complete list of recyclable items and a fresh 2015-2016 calendar, please visit:

www.wbna.us=>community=>recycling or visit the MUD business office at 2106 Klattenhoff to pick up a hard copy.

Garden Guild

By Dianne Koehler

We have an exciting summer planned! In July we'll focus on all you need to know about putting up your harvest - featuring preserves, canning and more. Our August meeting will be a potluck lunch from our gardens and planning for our next year's events.

The Garden Guild is open to anyone who gardens or aspires to! Our summer meetings will be held at the WB Annex, 14611 Wells Port Dr. Meetings begin at 11am, but come early to visit and swap. Everyone is welcome!

July 18 - Preserving your Harvest

August 15 - Planning Session & Potluck

September 19 - TBA

Garden Guild meetings are posted on the WBNA website at www.wbna.us under Upcoming Events. Find a variety of helpful articles on gardening that we've put together under the tabs **Community => Gardening in Wells Branch** or visit my garden blog: <http://dianne-gardening-in-wells-branch.blogspot.com/> for more information.

Wells Branch Eco Fair

by Margaret McGhee-Sufke & Debby Thompson

May saw the evolution of last year's "Water Why's" Seminar and Solar Energy Fair into what we hope to be the beginning of a tradition: Wells Branch Eco Fair 2015. A grassroots community event, the fair was the next logical step in helping to educate and inform our entire community on a wide range of environmental topics. Neighbors enthusiastically shared their knowledge and experiences in five main learning stations which included Water Conservation, Alternate Energy Solutions, the Great Outdoors, The 3 R's (Re-use, Recycle and Repurpose) and Healthy Living. There was a wealth of interactive learning activities for both kids and grown ups, as well as five different break-out sessions offering 30 minute discussions on key topics.

The 2015 Eco Fair was presented by a group of WB neighbors concerned about our environment and backed financially by WB MUD. In addition to support from the MUD, there were more than a dozen local area vendors that brought their expertise right to our community. Using a trade show format, with an event passport to guide the learning process, you didn't miss anything. Stamped passports were then exchanged for raffle tickets to win an amazing collection of door prizes provided by both the MUD and vendor donations.

By far, the most popular booths were the Lady Bug Booth run by Dianne Koehler with free lady bugs provided by Richard Fadal of TexaScapes and the Re-use/Recycle/Repurpose Cardboard Box Construction Booth for kids. All of the children in attendance had a wonderful time. Dianne helped them

"catch" lady bugs to take home for their gardens and some really magnificent structures were built out of used cardboard boxes (all of which were recycled at the end of the day).

We'd like to thank the team of residents who organized this event, all of the volunteers who gave of their time and talents and the vendors who came out to educate and enlighten.

Neighborhood Organizers & Volunteers include (in alphabetical order):

Bob Bauhs • Elaine Betterton • Tara Fisher-Munoz • Dianna Gielstra • Mary Graf • Steve, Betsey, Tessi & Cole Harper • David Hinch • Steve Hochstetler • George & Wanda Holcombe • Mike & Donna Howe • Rebecca & Paul Johnson • Dianne Koehler • Gus Kohn • Joe & Vicky Linsalata • Paul Malone • Janet Maxey • Lisa McCafferty • Joan Mead • Cyndi Miller • Bob Murray • Patsy Nelson-Farmer • Shelley & Travis Palmer • Ed & Kay Peterson • Sharon Richardson • Ralph & Tracy Simon • Marie Streusand • Margaret & Mark Sufke • Debby Thompson • Chuck Walters • Kevin, Lisa, Sarah, Faith, Grace & Liam Ward • Sheryl Williams

Special thanks to the WB Soccer Association and their incredible parent volunteers: Russell Aldridge, Steve Connell, Julie Goebel, Greg Goebel, Siv Manda, Tracy Martinez and Paul Trimble for providing concessions. We'd also like to thank BSA Troop 1409 & Venture Crew 1409 (and their outstanding leadership: SM Rich Michelson, ASM Greg Jewett, and Advisors Jill Douglas & Daniel White for facilitating the cardboard box construction play area for kids and for all the help cleaning up!

New "No Parking" Signs on Shoreline

If you frequent the Rec. Center, you may have noticed the new "No Parking" signs on Shoreline near the entrance/exits. In the past, residents have parked right up to the driveways along Shoreline during events; this made it difficult for those exiting to see oncoming traffic without pulling out into the intersection and putting themselves in harm's way. The WBNA would like to thank Deputy Robert Phillips with TCSO for looking out for the safety of our neighbors by having these signs installed.

As a reminder, please do not park within 50ft. of entrances/exits to the Rec. Center parking lot, within 20ft of the driveway to the fire station at Shoreline/Bratton, 20ft of a crosswalk at an intersection, 30ft from stop signs or 15ft from fire hydrants. Parking next to a crosswalk reduces visibility for both the pedestrian and driver. Let's keep Wells Branch safe!

WB Photo Club by Margaret McGhee-Sufke

We've learned quite a bit about light these last few sessions. As the days get longer, and the light gets better we'll put our learning into practice! In July and August we will feature more "hands on" activities--including setting back-button focusing and lens review. Be sure to bring your cameras to the meetings--we'll head outside after the instructional segments.

We'll continue to meet the 2nd Tuesday of each month at 6:30pm (next meeting is July 14th) in one of the portables at the Rec. Center on Shoreline.

Temporary Road Closures • July 11

Shoreline Church will be hosting the Caleb 5K on Saturday, July 11, resulting in temporary road closures beginning at 7:20am. The signs will go up at 6:00am, but we've been assured that entry/exit from individual streets/ parking lots and intersections will only be blocked as runners are passing/crossing through.

The course is as follows with entry and exit from Shoreline Church's northwest entrance on Shoreline Drive:

Shoreline → Bratton → Merrilltown → Burnet → Shoreline

Shoreline Church invites the WB community to participate in the race. For more info, visit: www.caleb5k.com
