

Roll out the RED, WHITE, and BLUE! 4th Fest is HERE!

WBNA 4th Fest Silent Auction

Monday, July 4 | 9:00am - 2:00pm

WB Community Center at KF Park

2106 Klattenhoff Drive

Each year, the WBNA hosts a silent auction during WB FourthFest. Proceeds benefit the WBNA. Money raised from this event funds the Easter Egg Hunt, National Night Out, our participation in Halloween Trunk or Treat, crafts at Luminary Fest and all of the educational and safety seminars we put on throughout the year. Come check out all the wonderful gift baskets and gift certificates donated by WB friends, neighbors and businesses! Online bidding begins June 24th and ends on July 2nd at 5:00pm at <https://www.32auctions.com/WBNA4thFest2022>. In person bidding will be from 9:00am to 2:00pm, July 4th. Contact Margaret Sufke at 512-341-0428 or SilentAuction@wbna.us if you have an item or service you'd like to donate or if you'd like to volunteer. We can **ALWAYS** use a hand!

WB MUD 4th Fest Concert

Monday, July 4 | 6:00pm

Shoreline Soccer Complex | 3908 Shoreline Drive

The fun doesn't stop in the morning! Put on your favorite red, white, and blue outfit and join us as the FourthFest celebrations continue with a concert in the park! Tomar & the FCs are playing and the Rec Department will have foodtrucks on hand. Bring the whole family for an exciting evening of live music at the Wells Branch Soccer Complex. Gates open at 5:30pm.

WB MUD 4th Fest Fireworks!

Monday, July 4 | 9:30pm

WB MUD Rec Center | 3000 Shoreline Drive

To finish out the night, join us for WB MUD's dazzling Fourth of July fireworks show!

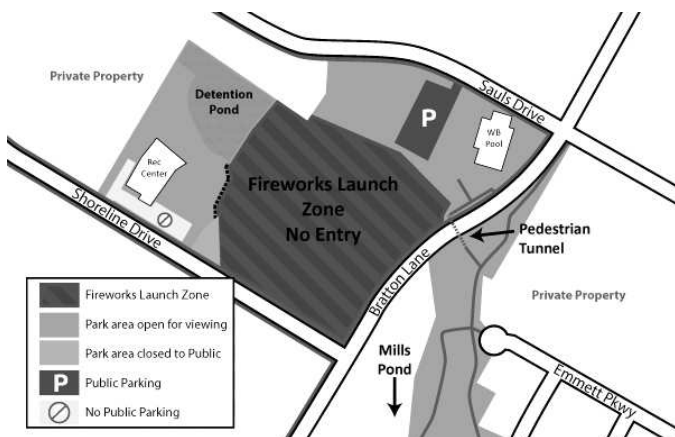

The annual Wells Branch MUD Fireworks Show will begin at 9:30pm at the Wells Branch Recreation Center. Prepare to be dazzled as they light up the night sky in celebration of the Fourth of July! There will not be any public parking available at the Recreation Center. Although parking is available along the street and in the Willow Bend Pool parking lot, the number of spaces are limited, so we encourage all who can, to walk or ride bikes.

Please come early, bring your blankets, chairs, coolers and bug spray.

Don't forget to clear your area and pick up your trash when you leave. Thank you!

Questions? Call the WB MUD Rec Center at 512-251-9814.

***No personal fireworks are allowed on District Property.**

Silent Auction Volunteers Needed!

Are you ready to help?

We have developed an online system to help folks register as a WBNA volunteer. We recently published a video clip highlighting how to sign up as a volunteer. Please follow the link to learn more: <http://wbna.us/volunteer/>

Here's an insider's tip. If you volunteer for the 4th Fest Silent Auction you'll get a preview of this year's auction goodies, while helping to stage the auction items. How about a ride on the WBNA parade float? If you help decorate it, you can ride it—it's worth an early start! Want to experience the excitement of the closing bids? Volunteer to be a closer and get ready to move quickly. Whatever you choose to do—we can promise that you will have fun at the 2022 4th Fest Silent Auction. **Plus, there's air conditioning inside!**

Opportunities Include:

- **Sunday, July 3rd:** Staging, Set up, Signage 1:00 – 4:00 pm
- **Monday, July 4th:** Float Prep, 8:30am – Parade is at 10:00am
- **Monday, July 4th:** Silent Auction, many slots available, bidder registration, runners, closers

Remember, it's the volunteers that really make everything happen. Please consider joining our volunteer team, even if you can only give a couple of hours for a single event or help out behind the scenes—your contribution helps the entire community succeed. Watch the WBNA.US website, follow us on Facebook and please consider volunteering at the 2022 4th Fest!

Plan Ahead for Fireworks Safety from Travis County ESD No. 2 - Pflugerville Fire Dept.

If you choose to light personal fireworks this holiday, please remember that you must get permission from the property owner – even if it's a commercial property not in use at nighttime.

Remember that fireworks are NOT legal to use on or around schools and Travis County parks. They're also not legal on Wells Branch Municipal Utility District (MUD) property, which includes all MUD facilities, parks, trails, greenbelts, Mills Pond, drainage detention areas, the veloway, and the grassy area located at Robert I. Walker and Charla Circle.

But if you choose to light fireworks in a safe, legal location, Travis County ESD No. 2 (Pflugerville Fire Dept.) wants you to better understand the dangers of fireworks and work together as a family to stay safe. **Rather than risking your safety with personal fireworks, we strongly recommend checking out a professional fireworks show. A great option in this area is the 4th Fest in Wells Branch!**

Here are other safety tips for your family:

Respect Vets and Pets

- Please respect your neighbors if you choose to light fireworks. This year, July 4th falls on a weeknight when many families will be working the next day. Keep in mind that the sound of fireworks can be very stressful for some veterans and others who experience Post-Traumatic Stress Disorder (PTSD). It also scares many dogs and other pets.

Make Fireworks a Family Activity

- Before the holiday, make a point to discuss fireworks safety with everyone in your family to decrease the chance of someone getting hurt.
- Never let children purchase fireworks without parents there—even older kids.
- Insist on adult supervision whenever fireworks are being lit—even for older kids. Children age 10 to 14 years old actually get the second-most number of fireworks burns and injuries, right behind preschoolers and toddlers!
- Kids who are younger than kindergarten-age should never be allowed to hold any fireworks on their own, **including sparklers**. Sparklers reach temperatures of 1,200 degrees, which is hot enough to melt metal. Give little kids glow-sticks instead. Pass the sparklers to much older kids and adults to carefully light ONE at a time—ideally wearing gloves.

Preparing to Light Fireworks

- Only light fireworks **OUTSIDE** on a flat surface that's far from any homes or buildings. Don't light fireworks near dry grass or leaves—you can catch them on fire.
- Before you light a firework, take a good look around to be sure there aren't any people or pets in range of possibly getting hurt.
- Don't lean over firework devices or place your hand over them when lighting. Immediately back up as far as you can after lighting! The body parts that suffer the most fireworks injuries are fingers, hands, eyes, face, and ears.

Safely Disposing of Fireworks

- Don't try to re-light fireworks that didn't work on the first try! Leave them alone, then thoroughly soak them in water with a bucket or hose before you try to handle them.
- Double-wrap ALL fireworks in plastic before throwing them in the trash. The same is true for a firework you find sitting on the ground that looks like it's been used. It may still be active and could re-ignite in your hand or pocket.
- Fireworks are poisonous to pets. Symptoms may include vomiting, a painful abdomen, and bloody diarrhea. Be sure not to leave behind any used fireworks where pets (yours or someone else's) spend time.

The WBNA 2023 Community Calendar: Photo Contest Update

Calling all WB Shutter Bugs: Ready, Set, SNAP! Please submit your favorite images of Wells Branch and help showcase our wonderful community.

Our 2023 theme is "Visions of Wells Branch". This year's contest will include the traditional gallery format at the Rec. Center with a ballot box as well as a Facebook gallery with voting options. The WB Rec Center, 3000 Shoreline Drive, is open to the public, so look for entries starting July 1.

Complete Rules, Entry Form, and Pre-Order are available online at <http://wbna.us/community/calendar-contest/>. Drop off your entries at the Rec Center. Just ask at the front desk. Remember anyone who lives in Wells Branch can submit a photo (or up to six photos.) The image format is 8x10 landscape for the calendar and the only real "rule" is that images must be taken within Wells Branch.

Please visit wbna.us/community/calendar-contest/ for rules and entry information. Questions? Contact Margaret Sufke, Calendar Contest Coordinator, at mmsufke@gmail.com or 512-341-0428 (msg).

Watch the WBNA.US website, follow us on Facebook and be sure to vote for your favorite images!

WB MUD Board of Directors Election

Board of Director elections are held on the uniform election date in November of every even-numbered year. In 2022, the election will be held on Tuesday, November 8, 2022.

A person that desires to be a candidate in the District's next Director election must be qualified to serve as a Director and must timely submit an application for a place on the ballot to the District. To be qualified to serve as a Director, a person must be at least 18 years old, a resident citizen of the State of Texas, and either own land subject to taxation in the District or be a qualified voter within the District.

Three of the five Director positions are up for election this year. The first day to file an application for a place on the ballot is July 23, 2022. The deadline to file an application for a place on the ballot is 5:00pm on August 22, 2022.

If you are interested in becoming a Director, please visit wellsbranchmud.com for more information.

2022 WBNA Silent Auction: Bidding Tips

Whether you are an experienced bargain hunter or just a curious shopper, you are sure to find a wonderful surprise or a must have treasure at this year's WBNA Silent Auction. Every year the WBNA team scours the community, local businesses and Austin area attractions to secure a wealth of donations. This year is no exception!

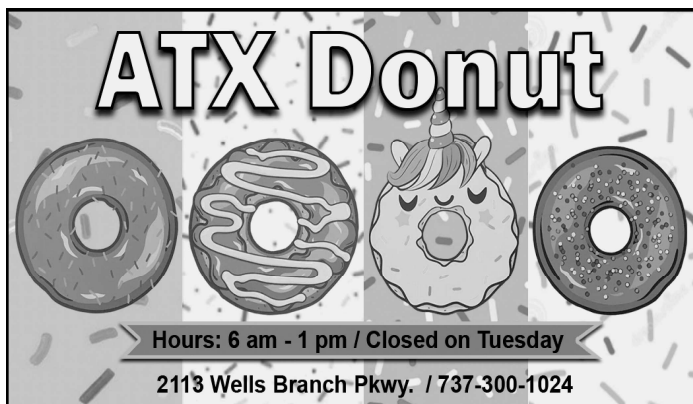

OK, you found that special item, what's the best way to bid or buy? Carefully consider what the item is worth and how much are you willing to spend. Look at the starting (or current) bid and then bid up to the next increment.

If you REALLY want the item, you can exercise the "buy now" option and simply buy the item out right at the set "buy now" price. This price is usually set just below the full item price. Or if you want to fully support the WBNA you may pay full price for the item.

The online auction site has some helpful features to make choosing and bidding on your item easier. Once you find something you want, just click the option to mark favorites, then use the "watch" option to track bids on your item. Select from the categories menu (next to search) to filter items quickly. Use the search option and type in a key word. Please visit WBNA.US for a helpful "how-to" video.

We have had a few folks ask why can't I just pay online? We have chosen not to pay the additional processing fee to auction site company. All proceeds are returned into the community. If you really need the item before the July 4th checkout, please contact Margaret Sufke, 512-341-0428 (msg) or via mmsufke@gmail.com and we will work to make the purchase happen.

Watch the WBNA.US website, follow us on Facebook. Come enjoy the July 4th Fest with WBNA!

Collars & Tags & Microchips—OH MY! by Mikella Maughan

Every year we see an increase in lost pets around the 4th of July, as they try to escape the noise and confusion of fireworks. In addition to securing your pets, there are things you can do to help the chances of getting them back home should they somehow escape.

As your pet doesn't have a voice, the easiest and most obvious option is a collar and ID of some kind. Pet owners on a budget can find collars at local dollar stores. Even without a tag a collar makes it easier for your pet to be safely caught by a good Samaritan so they can be returned to you or turned in to a shelter where you can be reunited. If you are unable to get an ID tag at the moment, you can write your phone number on the collar with a Sharpie or other permanent marker. This is also a great option for those pets who tend to always 'lose' their tags. You can also order collars and tags on Amazon or other online pet stores so you don't have to go anywhere.

When a pet doesn't have an ID tag or other identifying information, a microchip is an excellent backup plan. Microchips don't fall off or get lost, and they don't have batteries that die. They simply sit silently under your pet's skin until the information you've registered can be retrieved with a microchip scanner.

Travis County residents can get a free Microchip and/or a free ID tag for their pet by going to Austin Animal Services at 7301 Levander Loop between 11:00am and 7:00pm. The shelter does not currently assist with chip registration so be sure to register your pet's chip as soon as you get home.

Williamson County residents can get a free microchip and registration at the Williamson County Animal Shelter. Just email wcras@wilco.org for more information and/or to schedule a microchip appointment. These are provided free through a grant by the Petco Foundation.

You can also get a microchip for a fee from your pet's veterinarian.

You should register the chip with the manufacturer at least once, but you can also register your chip at Michelson Found Animals Foundation (<https://www.foundanimals.org/>) for free. Just remember to update your information when you move or change phone numbers.

Now is the time, please don't wait until your pet is lost and wish you had done something; it may be too late. According to a 2009 study published by the Journal of the American Veterinary Medical Association, a dog has a 52% chance of returning home if microchipped but only a 21% chance of returning home if not. Cats have a 38% chance of returning home if microchipped; an astonishing 1% chance of returning home if not.

IF YOU FIND A LOST PET please call or text the Wells Branch microchip scanner volunteer at (512) 270-1026 for a free scan, or take the pet to your nearest vet office or shelter. Some pet supply stores such as PetSmart, Petco and Tomlinson's also have scanners.

Please also post lost or found pets on the Wells Branch Lost and Found Pets page on Facebook.

Heat Kills!

Steamy, summer temperatures are here, which means our canine friends should not be left inside cars... not even for a minute! Running into a store "just for a minute" can easily turn into 10 or 20 minutes, which is long enough for your car to turn into an oven. Cracking the windows or parking in the shade does **NOT** keep the temperature at a safe level. Pets can't withstand high temperatures—heatstroke can cause irreparable organ damage and even death. If you love your dog, leave him at home! And if you see a dog in a hot car, follow the tips below. Let's all work together to keep the pets of our community safe!

~ Courtesy of Asheville Humane Society

Hot Cars Kill Dogs

On an 85° day, it only takes **10 minutes** for the inside of your car **to reach 102°!**

Cracking the windows or parking in the shade is NOT ENOUGH.

If you see a dog in a hot car:

1. Record information about the vehicle
2. Alert the management of the business
3. Call your local police department
4. Stay with the dog until help arrives

WELLS BRANCH CIVICS CLUB PROPERTY TAXES

More information and discussion available on Facebook

Have you ever wondered how your local government works, but cannot find the time to figure it all out? We have! Here in Wells Branch, most residents live under six or seven different governmental entities, not counting state, federal, or Star Fleet. That's a lot of government to keep track of. None of us has the time or expertise to do this individually, so two residents created the Wells Branch Civics Club.

The founders, Benjamin Williams and Jon Klekman, envision a non-partisan group that discusses how our local government works. We want to discuss key players and their roles, how we are impacted, and, most importantly, what is your role? In our community, we have an abundance of talented and experienced individuals who can teach their area of expertise, to those willing to learn. We can rely on one another and grow together, to make positive change happen for our families and community.

The philosophy of the club is that with greater understanding and involvement between the local government and its constituents, local government will receive more productive feedback from its constituents, and constituents will be more satisfied with the results from their local officials. Unfortunately, many times when community members show up at a governmental meeting, it is to air some grievance or yell at the presiding officials. The Wells Branch Civics Club aims to change that so that community members become

active, productive participants in our local governments.

The Wells Branch Civics Club is a bet that we will find ourselves more often in agreement with one another than not. That with a better understanding of the civics process, we will find that we aren't as polarized as we thought. The club invites everyone with the slightest interest in the civic process to drop in. We think the group will be amazed by the talent and expertise we find in our neighbors, and by working together, we can make an impact that no single person could.

The first meeting of the club is on **Saturday, July 2, 10:30am** at the **Wells Branch Community Library, 15001 Wells Port Drive**, with a discussion on the property tax system. How do appraisals and taxes relate? Who is making these decisions about my home and taxes? And again, what is my role? While the appraisal process is nearly complete, the budget process and tax rate adoption process are happening now. This is a great opportunity to learn about the process and weigh in with our different taxing entities about what is important to us in the upcoming year.

Benjamin Williams

There are two more upcoming meetings, one in August and one in September on topics that will be determined by meeting attendees. The Club will do its best to provide a way to participate online. More info and discussion available on Facebook.

Safety Alert: Increase in Jugging

****These incidents have been noted in Wells Branch, Pflugerville and Austin. APD has issued this warning with safety suggestions.*

The Austin Police Department Robbery Unit is raising awareness about a recent uptick in "Jugging" cases. A "Jugging" case is when a suspect follows a victim from a bank (including but not limited to large banks, check cashing stores, drive-through bank services, ATMs, and smaller banking branches) to the victim's following location. There, they are approached, threatened with violence, or assaulted while the suspect demands the money or aggressively takes the cash bag. This crime happens when cash bags are visible as the victim leaves the bank or ATM. Over the last year, at least 62 occurrences have included "Juggings" at Bank of America, Wells Fargo, and Chase Banks.

When visiting these financial institutions, please be aware of your surroundings. APD suggests these tips to avoid becoming a victim:

- Take note of anyone that is hanging around in the lobby of the bank or parking lot that does not appear immediately occupied
- Try not to be distracted while in the financial institution: on your phone, wearing earbuds, etc.
- Notice any vehicles that may follow you out of the parking lot and make sure you are not being followed
- Before leaving the counter/ATM after receiving cash, secure it in a different bag (other than the small zipper cash bags or envelopes utilized), such as a briefcase or purse
- Lock your car doors when you get into your vehicle
- **If you believe you are being followed from a financial institution for any length, please call 911 or drive to the nearest police station, fire/ems station.**
- Speak with security at your bank to see if they can assist you with large withdrawals or if they have any safety suggestions when withdrawing a large amount of cash.

Anyone with information about these types of incidents should call the APD Robbery tip line at (512) 974-5092, Crime Stoppers at 512-472-TIPS, or use the new Crime Stoppers App. You can also submit tips by downloading APD's mobile app, Austin PD, for free on iPhone and Android.
