## WBNA Easter Egg Hunt Extravaganza!

**Saturday, April 19 | 10:30am | Come Early!**

**The Homestead at KF Park | 2106 Klattenhoff Drive**

Hop on in! Spring has sprung! Join your friends, neighbors and The Easter Bunny himself at the annual Wells Branch Easter Egg Hunt. The "Hunts" will be by age group and **begin at 10:30am SHARP!** Plan to come early and visit with the Easter Bunny. This is a community event and ALL Wells Branch residents and their invited guests are welcome. We are asking that parents help set the example of behavior during this event. Please read and go over the rules with your hunters!

**ONE parent will be allowed inside the hunting area to help with the youngest age groups (0-18 mos. and 19-36 mos.)** We ask that you respect this restriction. Children in all other age groups must hunt on their own. There will be 7 minutes between each of the age groups to allow parents with multiple children to navigate to the next area. Please ensure that your children hunt with their respective age group only. If for some reason, your child ends up with only a few eggs, please approach any of our WBNA volunteers in bunny ears, they will have extra goodies to share. In recent years we have made an extra effort to include children with special needs. Please send a private message to [info@wbna.us](mailto:info@wbna.us) with your request so that we may coordinate with you and plan ahead.

Last, but not least, please remember that this event is put on by **volunteers**. We spend weeks getting ready and usually stuff 10,000 to 12,000 eggs (if you are wondering, yes we recycle those eggs each year.) It's no small feat. So, if a volunteer asks something of you, please be respectful of their requests. We love our neighbors and our community. We're asking for everyone's help in advance in creating an enjoyable experience for all involved. **Please help us and remember to recycle your eggs before you leave.** We always need extra volunteers to help things run more smoothly. Anyone whose kids have aged out of the hunt, community service groups, or older teens who need service hours, we would be so appreciative of your time! Please contact us for more information: [info@wbna.us](mailto:info@wbna.us) or text 208-869-5224. To sign up to volunteer, scan the first QR code for egg stuffing and the second one for activities the day of

the event or visit these websites: [early stuffing at tinyurl.com/2025-EEH-VOL](https://tinyurl.com/2025-EEH-VOL) or volunteering the day of the event at [tinyurl.com/2025-EEH-EVENT](https://tinyurl.com/2025-EEH-EVENT)

## Easter Egg Hunt Rules:

Those of you who've attended our hunts in the past know we have very few rules, but we do ask parents to follow those rules and be courteous and respectful of your neighbors so that all of our children may safely enjoy the hunt.

### BE ON TIME (early is better) AS THE "HUNTS" GO QUICKLY

- Wait until your age group is called
- Check all eggs for prize slips
- Let a volunteer know if there's an issue
- **Recycle your eggs with the WBNA**
- For everyone's safety, please consider leaving your fur babies at home
- **MOST of ALL, Have FUN!**

### AGE GROUPS:

**0-18 mos. • 19-36 mos.**

- \*Only 1 parent per child in egg hunting area
- \*Watch out for potential choking hazards

**4-6yrs • 7-9yrs • 10-12yrs**

- \* No parents or siblings allowed in egg hunting area

The Easter Bunny will be available for photos beginning at 10:00am and will stay until everyone has had a chance to talk to him. Photos will be posted to an album on the WBNA Facebook page or you're welcome to use your own camera.

Questions about buying or selling?  
Let's talk about your situation & options—  
give me a call today, 512-925-5309!  
Pam@PamWachholzRealtor.com

**What's going on in our market?** While home prices are rebounding in many northern states, the Austin market is shifting at a different pace, which makes sense considering the massive increase in prices that occurred in such a short time in '21-'22. Overall, Texas is seeing increased inventory and more new construction, giving buyers more options—but also leading to slower price growth and longer time on market for sellers. This change can be great news for buyers, but sellers need a smart strategy to stand out, and proper pricing is KEY! And that's where working with a knowledgeable, local REALTOR® makes all the difference. As always, I am here to help, whether you are buying or selling.

**It's Appraisal Notice Time!** Your property appraisal notice should be hitting your mailbox in the next week or two. When you receive it, first, verify that you are receiving the Homestead Exemption (if this is your primary residence) and remember that this is just an estimate of what your county CAD (Central Appraisal District) thinks your property is worth. While the CAD's are determining values, the taxing entities are working on their budgets, and ultimately the rate per \$100/value to charge property owners. In Wells Branch, there are several entities, including the WBMUD, RRISD or PISD, Healthcare District, etc... and as a property owner & taxpayer, you have the right to make your voice heard as each entity holds their budget meetings finalizes their tax rate.

You also have the right to protest the assessed value on your property. *Learn more about the process*, why you should protest every year, the pro's & con's of signing up with a service and the steps to take to get the protest filed on **Thursday, April 24 at 7:00pm at the WB Community Center on Klattenhoff**. PRO TIP: Do not file your protest of value until closer to the May 15th deadline!

## WB Pack 728 News by Lee Logan

The cubs of Wells Branch Pack 728 are rocking and rolling this Spring! Many of our scouts recently went on a campout at Bastrop State Park, where we took several hikes among the “Lost Pines,” did some fishing, and enjoyed a campfire with s’mores.

This time of year, our scouts are busy finishing up their advancement requirements to complete their next badge of rank by May. This includes learning new outdoor skills, as well as good citizenship, personal fitness, and more! We also have a group of scouts who are about to earn their Arrow of Light award and join a Scouts BSA troop.

Our pack is planning to participate in the Pioneer Festival later this month – we’ll see you there!

Elementary school kids can join Pack 728 all year round, and new scouts can immediately start participating in activities through the rest of the school year, while also enjoying a handful of great summer events.

**Who:** Girls and Boys in Kindergarten through 5th Grade

**When:** Wednesdays from 6:30 to 7:30 pm. We follow the RRISD school calendar plus a few summer activities

**Where:** Most meetings are at the Wells Branch MUD Annex, 14611 Wells Port Dr., Austin, TX 78728

## .Parking Safety Reminders for School Zones

We've recently experienced issues with the areas surround-  
ing **Wells Branch Elementary** (Town Hill/Merrilltown, Town  
Hill/Donald and Town Hill/Robert I. Walker) and  
**Joe Lee Johnson Elementary** (Sauls/Crissom, Crissom/  
Kissman)

Even if there isn't a sign for it, please use common sense  
and courtesy when parking close to intersections or cross-  
walks. Thank you for helping keep our kids safe!

- Do not park within 30 ft of a stop sign.
- Do not park within 20 ft of the designated crosswalks.
- Do not park right up to the edge of an intersection as  
this prevents emerging traffic from having clear vision  
and safe entry into the intersection.
- **Do not block the driveways of residents even if only  
for a moment.**
- Do not leave cars running unattended. Park your  
car. Turn it off. Set the brake. Lock it and take the keys  
with you.

Please remember that everything we ask of you is for the  
safety of our children and their families.

## WHAT SHOULD I READ NEXT?

As ambassadors of the Wells Branch Community Library, our mission is to spread the word about all that our local library offers and encourage reading. One of the best ways we know to do this is to simply share what wonderful books are being read in Wells Branch and encourage everyone to head to the library to check them out!

This ongoing feature will share reading recommendations from librarians, FOL members, and the Wells Branch Community. If you would like to contribute a short recommendation (200 words or less) of a book you've enjoyed, just e-mail your entry to [FriendsofWellsBranchLibrary@gmail.com](mailto:FriendsofWellsBranchLibrary@gmail.com). If you'd like to become a member e-mail us your name, address, phone number and we will keep you updated about our activities.

FOL Treasurer, David Mead writes: I'm reading *The Way of All Fish* by Martha Grimes (2014), a comic novel about the murderously competitive publishing business in NYC. It's the sequel to *Foul Matter*, also a comic novel about good, bad, and would-be authors, literary agents, editors, and publishers. And their hit-men. Both novels are well worth reading -- full of wry comedy, light satire, and amusing characters -- mostly (like Grimes herself) from Pittsburgh. Grimes is best known as the author of the very popular Superintendent Richard Jury mystery novels.

FOL Secretary, Nancy Loomis writes: Wine, Women, and Words meets monthly on the 3rd Thursday at 6:30 pm. Our February book was *The Poisonwood Bible* by Barbara Kingsolver. It tells the story of the Price family, a group of American Baptist missionaries who move to the Belgian Congo in 1959, where they face cultural clashes and political turmoil as they attempt to convert the local villagers. It is told from the perspectives of the wife and her four daughters, each dealing with colonialism, faith, and family dynamics against the backdrop of the Congo's fight for independence. The book continues to follow their lives after the 17 months of living as missionaries ends.

Several members had read it when it was published in 1998, but the majority had not. Everyone felt it was a thought-provoking exploration of the issues of colonialism and freedom, and how different cultures and languages complicated Africa's working for freedom. We rate our books on a scale of 1 to 5, and we averaged around 4 for this book.

## WB Drop-In Mahjonn Club

**Meets every Wednesday | 6:30pm**

**WB MUD Rec. Center | 3000 Shoreline, Rm 101**

We have grown, please join us! The WB Drop-In Mahjonn club is a very active group. We typically have 3-4 tables going and play 3-4 games at each session. It's a great way to learn the game and there is always someone ready to share the secrets with the newer players. We now have two club sets, but an extra set is welcome, so please consider bringing a set if you have one.

The club is open to all members of the WB Community. Beginners and seasoned players are welcome. We play the American four player version and try to balance folks between skill levels and games so that new players may learn in a comfortable environment.

**UPDATE:** Several members have chosen to play using the NMJL cards rather the club training card, which is great. Just a friendly reminder the new 2025 cards will start shipping in April. We will continue to play with the 2024 NMJL and training cards until all members have received their new cards.

A club brochure is available at the WB Rec Center or contact Margaret Sufke at [mmsufke@gmail.com](mailto:mmsufke@gmail.com) or 208-869-5224.

# Arts at the Library

## WBNA 2025 Arts at the Library Crafter's Market Place Program Update

**Saturday, September 27 | 10am-3pm**

The 2024 WBNA Arts at the Library program was heralded as a complete success by vendors and

### WELLS BRANCH HAND-CRAFTERS MARKETPLACE

community members. Many friends and neighbors stopped by the WBNA information booth to thank us for hosting a truly "community-based" pop-up marketplace. We are reaching out early so our vendors can plan ahead. Please email: [info@wbna.us](mailto:info@wbna.us) if you are interested in participating in the 2025 event or have any questions.

Nearly 40 vendors signed up last year, most living in Wells Branch! Each artist or crafter brought something unique to the market. Price points ranged from \$1 so even the youngest child could have the thrill of discovering a true treasure and up to \$100 or more for larger, beautiful hand crafted wooden or glass items. Pottery, jewelry, textiles, plant based products, and personal care items such as soaps and lotions were all on display. A truly an amazing range of unique creations!

**SPECIAL EVENT NOTE:** This annual event is typically held on the 4th Saturday in September. There are several reasons for this date including weather, run up to the holidays and limited outside event venues. So, we are looking at September 27, 2025. HOWEVER, there may be a conflict due to the upcoming construction project at the library. We are seeking alternatives.

We are requesting that anyone interested in participating to please use the Early Bird" sign up sheet to reserve a space. No money will be collected until we have finalized the venue.

**SIGN UP:** <https://tinyurl.com/2025-AATL-Market>

2025 will mark the 3rd annual WB Crafter's Marketplace. The WBNA team is currently working to finalize this year's venue. The WBNA team would like to sincerely thank Donita Ward, WB Library Director, the WB Library Board of Trustees and the library staff for allowing us to use their facilities in the past.

## **Avian Flu Awareness and How You Can Help**

On January 8th, the city of Austin shared a press release about the detection of avian flu in our area. As concerns grow about what this means for humans, pets, and wildlife, we've put together a few simple guidelines to help keep everyone safe:

- Avoid direct contact with sick or dead animals and their droppings, and please don't bring sick wild animals into your home.
- Keep your pets away from sick or dead animals and their waste.
- **For cat owners:**
  - Keep your cats indoors.
  - Remove shoes before entering the home if you've been walking in areas with bird activity. There have been reports of cats getting sick from the avian flu.
- Texas Parks and Wildlife, along with Travis Audubon, recommends taking down bird feeders and bird baths for now. These can encourage birds to gather, potentially spreading the disease. The virus can be passed through the saliva, mucus, and droppings of infected birds.

If you notice sick or dead poultry, please report it to the Texas Animal Health Commission anytime at 1-800-550-8242.

You can also help wildlife in a positive way! Consider planting native plants in your yard. These support local insects, which in turn provide food for birds, especially during migration and breeding season. During spring, when water is plentiful, keep bird baths dry. But when the dry season hits, cleaning your bird bath regularly will help stop the spread of disease.

Also, if you're interested in purchasing native plants for your yard, be sure to visit the **Native Plant Sale at the Pioneer Festival on Saturday, April 26 from noon to 5:00pm!**

## A Wells Branch Original, Malone Coffee expands with 2 new Brick and Mortar Locations

In the first week of February 2025, Malone Coffee opened a new Cedar Park and also a Round Rock location.

Donna Malone of Malone Coffee said, "We couldn't be doing this exciting 2 location expansion if it wasn't for the amazing support the Wells Branch community has shown us by visiting our Coffee Roastery day after day and also for the really hard working team that we have."

Malone Coffee started 10 years ago with Donna and Paul roasting coffee on their back deck and selling to friends, neighbors, and at farmers markets. In 2017 they launched their first of three coffee trailers and then launched their first brick and mortar in Wells Branch in 2018. Malone Coffee has now roasted over 4 million cups worth of coffee and it looks like there will be many more to come!

"We are very excited to be able to be bringing the same family friendly chill vibe, amazing coffee, and delicious food that has been so successful at our Roastery in Wells Branch to Cedar Park and Round Rock," stated Paul Malone of Malone Coffee.

Please continue to come out to support your local coffee company in Wells Branch and tell your friends in Cedar Park and Round Rock about the new locations.

The new locations are at: 635 University Blvd, Round Rock, TX 78665 and 1310 Cypress Creek Road, Ste #100, Cedar Park, TX 78613
