WELLS BRANCH HAND-CRAFTERS MARKETPLACE

Saturday, September 26 | 10am-3pm
Wells Branch Community Garden
14401 Town Hill Dr. | Austin | TX 78728

Are you ready for the 2026 Crafter's Marketplace? This event targets hand-crafted goods, services and artwork. We are offering a "farmer's market" format for local artisans and crafters. Don't miss this unique opportunity! Please note the venue change, due to the construction at the library. We'll be set up in the WB Community Garden parking lot.

There's always an amazing selection! You will find jewelry, textiles and uncover hand crafted works in wood, glass, clay, or resin. There will be painting, photography and home goods. Also included are hand crafted personal care products like soaps, honey, candles or natural beauty products. Don't forget to sample locally made treats!

WBNA has organized this event for the community to help promote the wide selection of locally hand-made goods, original artwork, photography, literature, music and culinary creations. The request to host this event came directly from WB community members that manage their own local "pop-up" or home-based businesses.

If you enjoy wonderfully unique hand crafted goods this event is for YOU and it's right here in the Wells Branch community. We are working on some great concessions again this year, the WBE-PTA is fundraising with grilled hot dogs, chips, and more. The Kona Ice Truck will be on site—PLUS local music instructor Cassie Baker will be hosting live music. Come for the treats and stay for the crafts! At the time of publication, there may be some open vendor spaces available, please check the sign up page: ***tinyurl.com/2026-AATL-Market***

We are excited to host local artists and crafters!

WBNA National Night Out

Tuesday, October 6 | 6-8pm
Chuck Walters Pavilion in KF Park
(enter park from Alpha Collier side)

You and your family are invited to a FREE grilled supper! Please join us and meet up with your neighbors and area first responders. The WBNA will be serving up hotdogs, sausage wraps, chips and drinks! Enjoy a FREE frozen treat provided by the Friends of Wells Branch Community Library. Take some time to learn how you can actively participate in a local Neighborhood Watch group, DPS Emergency Preparedness and other community safety programs.

Distinguished members from the Travis County Sheriff's Office, Travis County ESD2 and Precinct 2 Constable's Office will be on hand to meet with residents to answer your community safety questions. Don't miss the chance to speak directly with local law enforcement officers to learn what you can do to help reduce the opportunities for neighborhood crimes.

The purpose of the National Night Out program is to heighten crime and safety awareness, generate participation in local anti-crime efforts, build neighborhood spirit and strengthen our law enforcement community partnership. Be sure to stop by the Neighborhood Watch program information table.

Activities include: Prize drawings for home safety products, an interactive fire safety demonstration, tours of the fire truck and ambulance hosted by local Travis County EDS2 Fire Fighters. The Wells Branch MUD representatives will be there with information on upcoming events, games, prizes and updates on the parks and trails.

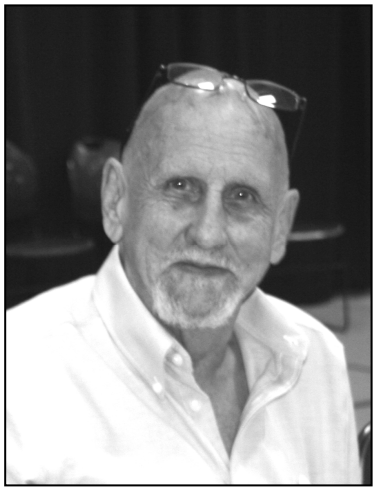

Ready to get involved in the community? We are always seeking volunteers to help with this important event: **tinyurl.com/WBNA-NNO-2026**

Please remember to bring a canned good or dry pantry item for the St. Andrew's Food Bank. Consider your donation as payment in kind for this information packed meeting.

We hope to see you at NNO!

Daniel Thomas White
October 27, 1944—August 13, 2026

In remembrance, Daniel's family would like to invite you to join them
Sunday, September 20, 2026 from 4:00-7:30pm
Wells Branch Community Center • 2106 Klattenhoff Drive
Please stop by and visit with us and share your memories of Daniel.
A light meal will be served afterwards.

In Memory of Daniel White

For many of us in the neighborhood, Daniel White was one of those people who seemed to always be there. If there was a WBNA or MUD event, chances were good that Daniel would be there—not just attending, but helping make sure things got done. He was a "helper". If something needed fixing, figuring out, or simply making better, Daniel was the person you could turn to.

But Daniel gave our neighborhood much more than his practical wisdom. He gave his time, his experience, and his genuine interest in other people. His willingness to help made a difference in the lives of many of us, often in ways that may not have been obvious to us at the time.

Daniel and Sherry also had a wonderful talent for bringing people together around the things they loved. The two of them developed an interest in medieval dance and shared that enthusiasm with others through the European Dance Guild, leading a group of neighbors and giving people an opportunity to learn, socialize, and enjoy something a little out of the ordinary.

Their interests extended even further into history and the imagination. Daniel and Sherry were active in medieval reenactments and the Society for Creative Anachronism, or SCA. For them, history wasn't simply something to read about—it was something to experience, explore, and share with others. Their involvement reflected something that was very much a part of who Daniel was: curiosity, enthusiasm, and a willingness to try something new and bring other people along.

Perhaps his greatest legacy, however, can be seen in the young people he influenced through his involvement with the Boy Scouts and Venturing. Daniel understood that young people need more than instruction—they need adults who are willing to show up, teach by example, listen, encourage them, and help them find their way.

Through his years of involvement, he impacted the lives of many of the neighborhood's youth and helped provide them with skills, confidence, and great memories that they will carry with them for the rest of their lives.

That is the kind of legacy that lasts.

Daniel is survived by his wife, Sherry, two children, Daniel and Christine, and five grandchildren, Bailey, Kristen, Natalie, Isabel, and Kaitlyn as well as the many friends, neighbors, and young people whose lives he changed.

We will miss seeing Daniel at our neighborhood events. We will miss his advice, and his willingness to lend a hand.

We will miss the things Daniel and Sherry brought to our community—the dances, the history, the adventures, and, most of all, the sense of fellowship that came from bringing people together.

Most of all, we will miss Daniel himself.

Our neighborhood is a little less whole without him. But it is also a better neighborhood because Daniel White was part of it.

May he rest in peace, and may Sherry and his family find comfort in knowing just how many lives Daniel touched, how many people he helped, and how much richer our community is because he was here.

May his memory be a blessing for all of us.

FAQ's

Q: The kids are gone, we need to downsize, but our house needs SO MUCH WORK and we don't have the money to do it all! What are our options?

A: Your best option depends on your end goal. Need every bit of equity out of your home? "Pay At Close" options get the work done now – you list for top dollar, and the company is paid from your proceeds at closing. Want to sell quickly, as-is? There are several avenues for that too. Your choices weigh heavily on how long you've owned your home and your equity position in the home.

Q: Is 4th quarter the best time for home buyers or sellers?

A: Typically, buyers. We're already in a buyer-favored market, and 4th quarter historically brings even more bargaining power and lower prices. If you're ready to buy, let's talk and get your home buying journey started.

Q: Is it necessary to have my home inspected prior to selling?

A: It's not required, but it's recommended. Many buyers are first-timers, already nervous about the biggest purchase of their life, and often getting "advice" along with down-payment help from parents. Even though sellers aren't expected to bring a home up to current standards, buyers not properly counseled by their agent can still show up with unrealistic expectations that lead to big repair or concession requests. Knowing your home's true condition in advance lets you fix key items before listing – especially cost-effective if you or someone in your circle are handy – so the inspector can clear them from the report. A clean inspection report gives buyers real peace of mind.

WBSA Celebrates Tremendous Fall Growth

by Gabriela Hinojosa, WBSA Secretary

Wells Branch Soccer Association is celebrating tremendous growth this fall! More than 450 players, ranging in age from 2 to 19, registered for the Fall 2026 season, representing an increase of nearly 18% over last fall.

That growth can be seen across the club, with many WBSA team rosters full or nearly full this season. Our youngest program, SoccerKIDZ, is once again completely full, with our littlest players set to kick off their season on September 19.

For our recreational and competitive teams, games kicked off Saturday, September 12, officially getting another exciting fall season underway.

We are incredibly grateful to every family who chose WBSA this season, as well as the volunteer coaches, team managers, Board Members, referees and others who make it possible for us to serve a growing number of players each year.

Seeing more than 450 players take the field in Wells Branch is an exciting milestone for our association and a reflection of the strong soccer community that continues to grow right here in our neighborhood. Thank you for being part of WBSA. We can't wait to see what this season brings!

From Wells Branch Soccer Association to Austin FC Academy!

by Gabriela Hinojosa, WBSA Secretary

We are incredibly proud to congratulate WBSA homegrown player Darrell Christmas, who has become the first player in our club history to earn a spot with the Austin FC Academy!

Darrell's soccer journey began right here at WBSA as a U6 player. Over the years, he played for several WBSA teams and coaches, growing and developing along the way. He remained with our club through last December, and now he is taking an incredible next step as a goalkeeper for the Austin FC Academy U13 team.

For a community-based club like ours, there is something pretty special about watching a player take his first steps onto a soccer field at WBSA and years later see him earn an opportunity at this level.

Congratulations, Darrell! We are so proud of you, and your entire WBSA family will be cheering you on.

Once WBSA, always WBSA.

My name is Mary and I moved to Wells Branch in November of last year. I have been a pet sitter for 20 years and would love to help you with your furry friends. I offer insured pet care in your home, and have extensive experience taking care of dogs, cats, bunnies and guinea pigs. I offer overnight care in your home as well as drop-in visits. My services include walking dogs, medication administration, and general house-sitting tasks such as collecting your mail and putting out the trash if you're away on pick up day. I have two dogs, Lolo the Corgi and Arnold the Weimaraner. I love all breeds of dogs, and have owned a Siberian Husky, a Boston Terrier and a Labrador Retriever in the past. Taking care of Senior dogs is something I enjoy; I feel firmly that dogs and cats are happiest being taken care of in their own homes and love that I am able to help people meet their pet's needs when they cannot be there. I have impeccable references that I am happy to provide, and will do everything possible to make your animals feel safe, happy and healthy while you are away from home. I look forward to getting to know you and your pets!

Scouts BSA Pack 728 News *by Lee Logan, Pack Leader*

The cubs of Pack 728 have started a new scouting year strong! Our returning scouts welcomed many new families for our annual Lego Derby, and we're just starting work on our various advancement requirements.

Our pack is already gearing up for a fall campout in October, where we'll be headed to Cedar Breaks Park in Georgetown. Be sure to look out for our scouts volunteering at various events in the coming months, including the new fall Movie in the Park, Trunk or Treat, and more!

Now is a perfect time to consider whether Cub Scouts is a good fit for your elementary-aged boy or girl. If you're interested, come check out one of our meetings!

Who: Girls and Boys in Kindergarten through 5th Grade
When: Wednesdays from 6:30 to 7:30 pm. We follow the RRISD school calendar plus a few summer activities
Where: We hold meetings at the Wells Branch MUD Annex, and the Wells Branch Community Center.

For more information, contact WBPack728@gmail.com or check us out at wbpack728.com

Announcing the 2027 WBNA Community Calendar Photo Contest Winners!

We would like to recognize this year's winners! Each exceptional image showcases the unique characteristics and charm of Wells Branch. We would like to thank everyone who participated in the contest. We had nearly 50 entries and the pubic voting response highlighted overwhelming support for the neighborhood.

This year's 11th anniversary calendar (10th actual calendar) is a great a mix of local area landscapes, our incredible wildlife, seasonal views and Wells Branch landmarks.

It is truly a labor of love to select the final 16 images to showcase the "***Wonders of Wells Branch***" theme with this limited edition calendar. As we close out this year's contest we would like to thank the WB MUD Parks and Recreation team for providing the gallery space. And a ***very special thank you*** to Megan Tesano and Debby Thompson for their collaboration in producing this year's amazing community calendar.

Congratulations to this year's winners! Please take a moment to review the adjacent article. We would like to thank each of the contest participants who generously submitted so many outstanding images. The biggest winner is the Wells Branch community.

Thank you for your Support!

ST. ANDREW'S PRESBYTERIAN CHURCH
OPEN MINDS, OPEN HEARTS, OPEN HANDS

Come see what we do at the Thursday Night Homeless Outreach!

For years, volunteers have come to St. Andrew's Presbyterian Church to provide hot meals, warm showers, and laundry services for our local unhoused neighbors. This community service means the world to them, and to all of us volunteers. Every Thursday afternoon and evening (except Thanksgiving and Christmas), our volunteers are there to welcome guests and ensure they feel truly cared for.

Life brings unexpected challenges, and with today's economy, supporting each other is more important than ever. Thanks to this amazing community, this outreach has grown beautifully over the last several years from around 12 to around 60 unhoused neighbors per week.
We would like to meet potential volunteers from our local Wells Branch community. Perhaps you'd like to be involved. Come visit and see this love in action any Thursday evening! There is no obligation to volunteer, and all are welcome! Just let us know when you're coming.

Please feel free to reach out to Ed Kopas at 512-659-9880, or email edwardkopas@gmail.com for more information and to schedule your visit. We would love to hear from you!

Seriously, Folks! I don't need to write a whole article about this. It's gross. Nobody wants to see it, smell it, step in it, or clean it up out of *THEIR* yard, the public sidewalk, the trails, or greenbelt. Please pick up after your pet and don't throw the bag in someone else's trash can. YUCK! Keep WB CLEAN *(and odor free)*!

Thank You, Wells Branch! by Margaret Sufke, Silent Auction Chair

The 2026 WBNA Silent Auction crackled with excitement! Thanks to our wonderful Wells Branch Neighbors and their participation! Contributions from donors and volunteers alike sparked a very successful event.

The WBNA Board would like to thank our community members, donors and all the area vendors for your generous support of this year's auction. Whether you donated an item, participated online, worked the event or visited the live auction site, every valuable contribution made a difference. YOU are appreciated!

We exceeded our goal and raised over $9,300! In keeping with this year's "250" theme, we tried to meet or beat that number; there were 276 auction items, donated by 118 vendors and/or neighbors (the most we've ever had), we received $250 in cash donations, volunteer hours totaled 269 from 26 volunteers and there were 241 bidders (oh, so close).

The average donation value was $83, the average selling price was $33 with a 40% rate of return—an excellent result. Regardless of price, every item was a true treasure. The quality of the artwork and handcrafted items was incredible and variety of the donations was both generous and diverse!

As always, the funds raised directly benefit the neighborhood by helping to pay for our annual events, Easter Egg Hunt, National Night Out, Pumpkin Patch & Painting and our participation in the WB MUD Trunk or Treat and Holiday Crafts at Luminary Fest. In addition, we host educational and safety programs, extreme clean events and of course the newsletter.

Special recognition goes out to the WB MUD Parks & Rec team who graciously loaned us the facilities, the WBNA is truly grateful!

When you visit the local area businesses or see your neighbors listed in the recognition section, please thank them for supporting our community and remember, as you patronize these businesses, you continue to support Wells Branch.

2026 Wells Branch Community Library Trustee Election Information— November 3, 2026 Election

Every year, either two (2) or three (3) Trustee positions are on the General Election Ballot. In 2026, there are three (3) positions coming up for election. The three candidates with the highest number of votes will serve as Trustees. The following five candidates are seeking a place as Trustee on the WBCL Board.

You must be registered to vote within the Library District boundaries in order to vote in this election.* Most of 78728 that falls within Travis County is in the District, but not all.

*The elections will automatically appear on your ballot if you are registered to vote within the Library District .

Abigail Joffrain

Trustee & Co-Chair of the Renovation Committee

Abbie Joffrain, current Library Board of Trustees President, was appointed in 2021 and elected the following year, serving first as treasurer, then as president since 2022. Abbie has served for 3.5 years on the renovations committee, ensuring it meets the needs of our entire community now and in the future, while preserving the library's charm and history. Abbie has a Masters in Linguistics and Bachelors in both Linguistics and Government from the University of Texas and worked and volunteered in a variety of libraries, including at UT.

As a trustee, Abbie has attended Texas Library Association Conventions around Texas to learn more about issues facing libraries today and learn from librarians with recent construction projects. She traveled to over 40 libraries researching for the renovation. She represented our library in the panel discussion of The Librarians at St. Andrews. She attends the annual TLA Legislative Day to learn and advocate for our library and stay informed on recent legislation. She attended the Texas Special District Leadership Forum, and the Library District Discussion Group for Open Meetings and Public Information Acts training. Abbie would be honored to serve another term putting her experience in libraries, in government, and with community organizing to use for our library and Wells Branch.

Elizabeth Martin

Trustee & Co-Chair of the Landscape Committee

Elizabeth Martin currently serves as a Trustee for the Wells Branch Community Library, supporting the library as it grows and evolves. She helped envision the library's new mascot, Professor Ponder, and its refreshed branding, and currently serves on the Landscaping Committee, helping shape plans for the future of the library grounds. During the library remodel, Elizabeth also helped reallocate furniture and other materials the library no longer needed to local schools, keeping these resources in use within the community.

A Wells Branch resident since 2012, Elizabeth has a background in elementary education and is roudly aising her family in Wells Branch. She serves as PTA President at Wells Branch Elementary, works part-time as the school's Library Assistant, and has supported the school garden for several years. Her work with schools, libraries, and gardens reflects her love for cultivating spaces where the Wells Branch community can learn, connect, and grow.

If reelected, Elizabeth is committed to continuing her work on the Landscaping Committee and helping ensure the library grounds grow into a beautiful, family-friendly space that celebrates Texas native plants and feels distinctly at home in Wells Branch.

Paul Wadehra

I've called Wells Branch home since 1992, and I've spent much of that time volunteering in ways that keep this community close-knit. I founded and ran the WatchDogs program at Wells Branch Elementary, giving dads a chance to spend a day volunteering at their kids' school. I also served on the board of the Wells Branch Armada swim team as Circuit Rep, President, and Meet Director, helping keep this neighborhood institution strong for the families who count on it every summer.

I remember when our library was built, and I've used it ever since, as a reader, as a dad bringing my kids to chess club and Spanish club, and as an adult attending programs like birdwatching seminars. I'd be honored to bring my decades of volunteer experience in Wells Branch to the library as a Trustee.

Philip Waters

I've lived in Wells Branch since 2013 with my wife and daughter and have been an active supporter of our community. You may have seen me blacksmithing at Pioneer Days, walking my cats along the trails, or participating in the Wells Branch Writers Club. I'm also a supporter of Wells Branch Wild. I hold a bachelor's degree in computer science from Texas State University and have worked as a project manager for more than 25 years. For the past eight years, I have run the blacksmithing program at Pioneer Farms, a living history museum, where I have also helped modernize the museum's volunteer and class-management systems.

I have a long-standing interest in history, education, and the value of strong public services. I believe it is critical that the Wells Branch Community Library have the resources, planning, and support necessary to continue serving our neighborhood for years to come. My experience managing projects and improving systems would help me contribute to that long-term planning while supporting the excellent work the library is already doing as a community hub for residents of all ages.

With the library renovations nearing completion, I also see an opportunity to make better use of the grounds surrounding the library. I would like to explore landscaping that emphasizes native plants, wildlife habitat, and education, extending the library's educational mission outdoors and complementing the work of Wells Branch Wild, whose goals have already been embraced by more than 190 Wells Branch households.

I would be proud to serve on the Wells Branch Library Board and help ensure that the library remains a strong, welcoming, and well-supported resource for our entire community.

Rudolf Valenti, PhD

Education: PhD in Sociology/Social Work, in Budapest University (ELTE), Hungary. Also worked as a Librarian, serving students of the University's 'Semmelweis Medical School ' for six years. In the US, I got a BA in Journalism, in Cal State LA. Loved California, but had to return to Hungary when my father died to help my mother.

Work: Came back to the US and specifically to Austin, TX, in 2005. Worked 11 years at Austin State Hospital, retired in 2016. Actually it is 'semi-retirement' now, for I keep going back to work for large Austin non-profits (Caritas, etc.) and/or keep finding part-time work as a Caregiver to the elderly.

Volunteer work: Spent one month in Cambodia in 2024, helping needy children, and then one month in Guatemala, in 2025, in animal protection.

Hobbies: My family, my Hungarian wife (also works for the State of Texas), and our - by now two adult - sons, 23 and 29. Reading, 'everything,' and we all just love Wells Branch; the parks, the pools, the football (and soccer!) fields, the little lake and, of course, the Library. It's all home now.

WHAT SHOULD I READ NEXT?

FRIENDS OF THE Wells Branch LIBRARY

As ambassadors of the Wells Branch Community Library, our mission is to spread the word about all that our local library offers and encourage reading. One of the best ways we know to do this is to simply share what wonderful books are being read in Wells Branch and encourage everyone to head to the library to check them out!

If you would like to contribute a short recommendation (200 words or less) of a book you've enjoyed, just e-mail your entry to FriendsofWellsBranchLibrary@gmail.com. If you'd like to become an FOL member, it's free! E-mail us your name, address, phone number and we will keep you updated about our activities.

This month we have two "firsts." Our first recommendation for a whole section of books from a "Library Insider" who is involved in the exciting renovation! Also our first book recommendation(s) written by a teenager.

Matt Bucher, Library Board of Trustees Secretary, recommends three books focusing on Texas:

If you haven't been to the Library since the latest phase of the renovation project, you might be surprised to see that rearranging the shelves has highlighted some interesting sections, or at least made them more visible. I'd like to point out that our Library has a wonderful selection of books about Texas and Austin (976.4 in the Dewey Decimal system). I picked up Alex Hannaford's ***Lost in Austin***, which tells the story of our city's massive growth over the past two decades. Hannaford shares his personal story of discovering Austin and tracks the growth of the music scene and the ever-expanding tech companies.

I would also recommend a massive, one-volume history of ***Texas, Big, Wonderful Thing***, by Stephen Harrigan. Each chapter of the book is self-contained so you can jump around and just read a chapter at a time.

Also, in the nearby biography section, I recently checked out David Streitfeld's new biography of ***Larry McMurtry, Western Star***. For fans of ***Lonesome Dove*** or McMurtry's other works, the story of McMurtry's life as a novelist, a book scout, and screenwriter is equally compelling.

Evie Ward, Teen Bibliophile recommends:

The Bell Jar by Sylvia Plath
This is a story of mental illness considered to be semi-autobiographical. It follows Ester Greenwood, who is a budding college student interning at a magazine in the early 1950's. She feels trapped by personal pressure as well as the "gender-norms" of the time causing a mental breakdown and suicide attempt. Ester spends time at a mental facility undergoing electro-shock therapy and insulin injections.

The book offers an intimate look into mental illness as well as a woman's life in the 1950's. The story is most known for the fig tree metaphor. "I see my life branching out before me like the green fig trees of the story". Sylvia Plath wrote about the fig tree to represent the choices the character could make in her life, the figs being the different paths Ester could take. The story is poetic and deep, granting the reader a better understanding of what the main character goes through. In my opinion, ***The Bell Jar*** makes you think about your life and ambitions as well as feel what it felt like to be a woman in the era.

The Friends of the Wells Branch Library is a non-profit organization that serves as ambassadors for the library, promoting library resources and programs, hosting events, and providing gift cards to library staff on their birthdays. Due to depleting funds, we are seeking contributions via PayPal to maintain our presence in the neighborhood. Please consider the Friends of the Library when making your charitable donations. Come find us at National Night Out, where we will have frozen treats to share!

In recognition of Shelley's service to the Wells Branch community

For the past 12 years, Shelley Palmer has served as a Wells Branch MUD Board Member with dedication, insight, and a deep commitment to balancing the needs of the community with care for the natural environment.

Our friendship and work together began with an idea for a neighborhood service project: transforming an undeveloped area east of her home into the first Wells Branch butterfly garden. Shelley provided the guidance and expertise that made the project possible, giving neighborhood kids an opportunity to create something lasting for their community. It also began an ongoing education in native plants, healthy habitats, and thoughtful stewardship of the natural world.

Shelley has helped many of us see our surroundings differently. Through her example, we have learned that native plants are more thathan landscaping choices; they sustain pollinators, birds, wildlife, and the broader ecosystem. She has demonstrated why riparian zones matter, how invasive species can overtake natural areas, and why it is important to slow down, observe, and understand a place before deciding how to change it.

As a Certified Master Naturalist, Shelley brought exceptional knowledge and appreciation for the environment to the MUD Board and the entire community. She helped establish riparian zones along our creeks and ponds, remove invasive species, and created multiple butterfly gardens. She devoted countless hours to observing our natural areas, walking and riding the trails, watching the seasons change, and noticing the gradual growth and transitions along our creekways.

Years ago, Shelley was also a strong advocate for the Trees for Trails project. She understood that our trails are more than paths: they connect neighborhoods, bring people closer to nature, and are an essential part of what makes Wells Branch special.

Her contributions extended well beyond environmental projects. She was a driving force behind the Eco Fair, helping it grow into an important community event, and she participated in the Solar Fair alongside Trees for Trails. She consistently found ways to connect residents with the natural resources, organizations, and opportunities available right here in Wells Branch. Shelley continued to support the Wells Branch Disc Golf Course and its later expansion while helping balance recreational use with the protection of surrounding natural areas.

Shelley also served on the Soccer Complex Committee and contributed her time and ideas to projects involving the Dog Park, Skate Park, and Recreation Center expansion. She has been a steadfast supporter of community service organizations, always willing to offer her knowledge, encouragement, and time whenever a local group needed help.

It would be impossible to fully list everything Shelley has taught those of us fortunate enough to work with her. Perhaps her most important lesson can be found in the question she brings to every project. Shelley does not simply ask, "What can we build?" She asks, "How can we make this better for both the community and the environment?" That perspective has influenced countless decisions and many of the people who have served alongside her.

After 12 years on the MUD Board, Shelley leaves behind far more than a record of meetings and votes. She leaves gardens, trees, trails, restored natural areas, community events, and recreational spaces. She also leaves residents who better understand the land around them because she took the time to teach, explain, and lead by example.

Even as she departs her role as a director, Shelley will not be riding off into the sunset just yet. The long-awaited Eastside Nature Park is beginning to take shape, and she has agreed to remain involved in an advisory role as it develops. She will continue riding the trails, watching over our creeks, supporting the Wells Branch Wild Conservancy, and sharing her knowledge with the community.

Wells Branch is a better, greener, and more connected community because of Shelley's 12 years of service. On a personal note, I am deeply grateful to have served alongside her and even more grateful for her friendship and for everything she has taught me about native plants, wildlife, water, and caring for the place we call home.

I remain thankful that our paths crossed all those years ago and that those paths have included trails, butterfly gardens, native plants, a few ducks, and more than a few conversations about meandering creeks.

Thank you, Shelley. Your work, your influence, and everything you have taught us will continue to grow all around us.

With heartfelt thanks,
Betsey Harper, President, Wells Branch MUD

Meet Your Neighbor, Jeaneane McNulty Candidate for WB MUD Director Place 5

A 16-year resident of Wells Branch, Jeaneane is a familiar smiling face on our trails and in our community. She has served extensively in our neighborhood public schools through PTA and with Access Education RRISD. Jeaneane helped establish Wells Branch Democrats club in 2019. Lately she's chosen to engage less with partisan politics and more in activities that bring her neighbors together. To that end she has provided community yoga classes at the WB Library and Rec Center and currently leads the Purple Martin conservation effort in the North Meadow. With a B.S. in Child Development, and background in Project Management—Jeaneane currently works as a Program Administrator and art enrichment instructor. Jeaneane has loved raising her family in Wells Branch and is committed to continuing its traditions while preparing thoughtfully for the future.

Wells Branch MUD Election Notice:

There will be no WBMUD Board Director Election necessary as all candidates for office were unopposed this year.

- Place 1 - Kevin Ward
- Place 3 - Betsey Harper
- Place 5 - Jeaneane McNulty

(Shelley Palmer is not running for re-election)

Experience cannot be replaced.

Betsey Harper, President, WB MUD Director, Place 3

Betsey moved to Wells Branch in 1992 and became a homeowner soon afterward. She chose Wells Branch as the place to raise her family because of its caring neighbors, extensive park system, community services, youth sports programs, and strong schools.

Long before her election to the Wells Branch MUD Board, Betsey Was active in the community. She has volunteered with local schools, coached youth soccer, and participated in many neighborhood projects and events. She believes public service begins with listening to residents and helping wherever needed.

As a MUD Board director, Betsey has drawn upon her extensive experience in finance and government, along with her education in accounting, economics, and finance, to promote responsible financial stewardship and guide improvements to the parks, facilities, programs, and services that make Wells Branch special.

After 12 years of dedicated service, Betsey is beginning her final four-year term on the Board. She plans to complete several important park and facility projects, share the knowledge she has gained, support a thoughtful transition to future leadership, and continue representing residents with experience and accountability.

Kevin Ward, Secretary, WB MUD Director, Place 1

Kevin moved to Wells Branch in 1994 after searching the Austin area for the right place to live and raise his family. He was drawn to the community's family-friendly character and its convenient location between I-35 and MoPac.

Kevin dedicated more than 25 years to emergency services as an advanced-certified peace officer, firefighter, and EMT. He spent 12 years as a deputy patrolling the Wells Branch hike-and-bike trails and 15 years as a licensed pyrotechnic operator for the Wells Branch MUD fireworks shows. Now retired, Kevin is enjoying the rewards of his many years of service.

Kevin's work on the MUD Board focuses on the security and safety of Wells Branch neighborhoods and the park system. He also serves on the IT Committee, which has been focused on developing a new Wells Branch MUD website to better serve and inform residents.

Kevin remains active in the Wells Branch community through local service, outreach, and youth programs. Over the years, he has helped create safe and welcoming opportunities for young people to meet, learn, and build lasting friendships.

Kevin continues to be active in his church, while his wife, Lisa, remains a dedicated teacher. Two of their four children have left the nest and are beginning new chapters in their lives, including marriage and starting families of their own. Kevin is also a proud new grandfather after his daughter Faith welcomed a happy, healthy baby girl into the family earlier this year.

Don't forget to VOTE Down Ballot!

Down ballot races are non-partisan local elections. For many WB residents, this includes one or more of the following: WB Library Trustees, WB MUD Board Members and one of the two school districts in Wells Branch.

2026 Wells Branch Community Library Trustee Election Information is included on page 10. WB MUD candidate information is on pages 13 and 14. Each candidate is running unopposed.

Both School Districts, PfISD and RRISD, have Board of Trustee Elections in November

PfISD Trustee Elections

PfISD Board Members serve three-year terms. All positions are at-large, meaning all voters within the appropriate boundaries can vote in each race, and elected officials serve the entire community.

Seats for Place 6 and Place 7 will be on the November 3, 2026 ballot. These positions are currently held by Jean Mayer and Chevonne Lorigo-Johst, respectively. Community Impact will run Q&As with each candidate running in a contested race in the weeks leading up to the election. https://communityimpact.com/pflugerville-hutto/government/

Candidates for **Place 6** are Jean Mayer and Nicole Toran. For **Place 7**, Chevonne Lorigo-Johst is running unopposed..

Bios for the two incumbents may be found at: https://www.pfisd.net/about-us/pfisd-board-of-trustees

ACC Annexation will appear on the November 2026 ballot for PfISD.

Voters living within the Pflugerville Independent School District (PfISD) territory will decide whether to join the Austin Community College District (ACC) during the November election. If approved by voters, residents within the PfISD territory would become part of the ACC taxing district in exchange for access to in-district tuition, expanded programs and services, and a more direct partnership with ACC to address the community's education and workforce needs.

More information may be found at https://sites.austincc.edu/newsroom/2026/08/17/acc-board-approves-special-annexation-election-for-pflugerville-isd-territory/

RRISD Trustee Elections

There are seven members of the Round Rock ISD Board of Trustees, each elected at large to serve staggered four-year terms. Elections are held every even year in November. The terms of half of the Trustees, or as near to half as possible, expire each election cycle.

Places 3, 4, 5 and 6 are currently on the ballot.

Candidates for **Place 3** are: Gregory Glenn Andrew, Amber Feller Landrum (Incumbent), Ayaan Ahmed Moledina, and Vera Southwell.

Place 4 is uncontested with incumbent Alicia Markum, seeking re-election.

Candidates for **Place 5** are: Miriam Rose Arora and Meghna Roy.

Place 6 candidates are: Fabian Cuero (Incumbent) and Troy James Evanovich.

Incumbent Bios may be found here: https://www.roundrockisd.org/o/rrisd/page/board-of-trustees. For other Candidates, Google is your friend. Please take the time and effort to research each School Board Candidate.

RRISD is also holding a Tax Rate Election. Information may be found at https://communityimpact.com/round-rock/education/round-rock-isd-to-hold-board-tax-rate-election-in-november/

Parking Safety in the Drop-Off & Pick-Up Areas Near WBES

Once again, our community is having issues with the blocking of streets and driveways during school pick-up and drop-off. Drivers are parking in intersections and blocking driveways along Merrilltown, Town Hill, Robert I. Walker and Donald Drive. More than just an inconvenience for the homeowners, this is a huge safety concern for our children and it is illegal. Parents are also parking at the corner shopping center and crossing Merrilltown Drive in the middle of the street in disregard of the crosswalks. Not only is it dangerous for the parents, it teaches our children that it's okay to cut corners and dart out into traffic. We have crossing guards and teachers there to help everyone cross safely. Please follow the traffic laws and signs. They're there for a reason. The safety of our children is paramount.

Texas State Law:

Sec. 545.302. STOPPING, STANDING, OR PARKING PROHIBITED IN SPECIFIC PLACES.

(b) An operator may not, except momentarily to pick up or discharge a passenger, stand or park an occupied or unoccupied vehicle:

- **in front of a public or private driveway;**
- **within 20 feet of a crosswalk** at an intersection;
- **within 30 feet** of any flashing signal, stop sign, yield sign, or traffic-control signal located at the side of a roadway.

We have reached out to TCSO requesting their assistance. We urge you, please do all that you can to keep our children safe (even if it takes a bit longer).

Wells Branch Wild Conservancy News

Certification Status

We are closing in on our goal of 200 wildlife habitats in Wells Branch — we currently have 196 certifications! Needing the last four is a reminder that our work is important and not finished. Every discussion, email response, and social media post is an opportunity to spread the word about the importance of these actions and values. We have made great progress and will continue to engage our community!

Announcing a New Program! Become a Member of Wells Branch Wild Conservancy!

Enjoy Members-Only early shopping at both Fall and Spring Native Plant Sales!

Wells Branch's 84 acres of parkland, including Mills Pond, are vital for local wildlife and migrating birds, with over 1,300 species recorded. However, our public parks can no longer carry the full burden against urbanization and environmental pressures. Memberships help engage our entire community in providing support to protect these essential spaces amidst growing challenges like climate change and water shortages. Memberships make our programming and outreach possible.

Good News for the Neighborhood!

We are thrilled to announce a **$500 donation from Mighty Citizen**. This gift directly supports our community partnership with Joe Lee Johnson Elementary as they launch a new "Green Team" dedicated to beautifying their schoolyard with native plants.

We are equally excited to support Wells Branch Elementary's outdoor learning goals through our upcoming Fall Plant Sale. Stay tuned to watch these spaces grow into vibrant, hands-on learning grounds where neighborhood kids can cultivate a real bond with the natural world.

For the Birds: Why Keeping Cats Indoors Matters in Wells Branch

Let's be honest: cats have main character energy. They stare out the window like they're plotting something, they nap in sunbeams like it's their full-time job, and every so often they remind us that underneath all that fluff is a tiny, very capable predator. That last part is exactly why Wells Branch Wild Conservancy is asking neighbors to consider keeping cats indoors — good news for our backyard birds, and honestly, pretty good news for the cats too.

Here's the not-so-fun fact: domestic cats aren't native to North America. Europeans brought them over just a few hundred years ago, and their population has boomed ever since — bad news for wildlife that never evolved to deal with them. Scientists estimate outdoor cats kill billions of birds a year in the U.S. alone, plus even more small mammals. Even the sweetest, best-fed house cat still has that hunter wiring, and a bird that escapes doesn't always get a happy ending — cat saliva is loaded with bacteria that can cause fatal infections later. So yes, even Mr. Whiskers is a menace out there, no matter how innocent he looks.

The flip side is genuinely good news: indoor cats tend to live way longer and happier lives, often 15+ years versus just two to five for cats who roam. No traffic, no predators, no mystery scratches from the neighborhood turf war. A window perch for bird-watching (from the safe side of the glass), some daily play with a cardboard box, and a pot of kitty grass go a long way toward a very content indoor cat.

Of course, "keep cats indoors" doesn't have to mean "never let cats sniff the outside world again" — and that's exactly what our next event is all about.

PS - Also, a quick shout out to all our incredible neighbors who routinely find, care for, and re-home stray cats! That is not easy work!

Wells Branch Wild Fall Meeting Schedule

WBWC Wildlife Habitat Fieldtrip

Monday, October 12 | 10:00am | 14914 Doria Dr.

Are you interested in creating a DIY wildlife habitat out of a Bermudagrass backyard? Curious how much work is involved in having a meadow garden, since mowing is no longer required? WBWC will host a field trip to a DIY garden that is a National Wildlife Federation Certified Wildlife Habitat (NWF's CWH), created using the Austin Water WaterWise Landscape Rebate program to lower overall costs. Our guide, Angel, is a gardener-want-to-be who finds being in her garden an opportunity to relax in awe of nature. She will outline the steps to create an NWF CWH using the WaterWise Landscape program, share the amount of time required, and share lessons learned.

WBWC Native Plant Sale

Saturday, October 17 | 10:00am-1:00pm
(9:00am access for members)
WB MUD Annex | 14611 Wells Port Drive

Stock up on native plants built for Central Texas heat that support our local pollinators and thrive right in our own soil. **New this year:** we're adding veggie and herb seedlings to the lineup so you can grow your fall garden too. Wells Branch Wild Conservancy members get early access (9–10 AM) before the sale opens to the public, so now's a great time to join the flock.

WBWC Bird City Launch

November 15 | 3:00pm
WB MUD Rec Center | 3000 Shoreline

Wells Branch Wild Conservancy is excited to announce our next major project: beginning October 1, and over the next year, we will be working to certify Wells Branch as a Bird City Texas community. Bird City Texas is a partnership of Audubon Texas and Texas Parks and Wildlife Department (TPWD), created to help people protect birds and their habitats where we live, work, and recreate. The criteria required for certification are designed to be impactful and efficient against habitat loss and other harmful factors. Research shows that bird-friendly habitat increases property values and helps control insects — where birds thrive, people prosper.

WBWC Geowalk

December 5 | 10:00am
The Homestead at KF Park | 2106 Klattenhoff Dr.

Strap on your sneakers and get ready to look at some limestone! Join local geologist Neil Suneson as he explains Wells Branch's ancient history by exploring rocks along our creek.

Wells Branch Garden Guild

If you are new to the area or interested in joining our group please visit our Facebook page to request access at facebook.com/groups/WBGardenGuild.

We also suggest membership to the Spice Berry Plant Stand, a Wells Branch community Facebook group of gardening enthusiasts who come together around a love of gardening, plants, and sharing their abundance with others.

WB Drop-In Mahjongg Club*

Meets every Wednesday | 6:30-8:30pm | Room 100
WB MUD Rec Center | 3000 Shoreline

Please join us! The WB Drop-In Mahjongg club is a very active group. We typically have 3-4 tables going and play 3-4 games at each session. It's a great group of folks and there is always someone to help newer players learn the secrets the game. We can always use an extra game set, so please consider bringing a set if you have one.

For questions about these clubs, contact Margaret Sufke at mmsufke@gmail.com or 208-869-5224.

WB Democrats Club

Meets the 1st Saturday of the month at 1:00pm
WB Rec Center | 3000 Shoreline Drive

The Wells Branch Democrats Club is a local community organization that brings together Democrats and like-minded neighbors in the Wells Branch area to stay informed, engaged, and active in civic life. The club meets **on the first Saturday of each month (except July) from 1:00–3:00pm** at the **Wells Branch Recreation Center, 3000 Shoreline Drive**, and meetings typically feature guest speakers, discussions on local and statewide issues, and opportunities to get involved in community organizing and voter engagement. Whether you're a longtime activist or simply looking to learn more and connect with neighbors, the Wells Branch Democrats Club offers a welcoming space to participate in the democratic process at the local level.*

**Not affiliated with Wells Branch MUD or Wells Branch Neighborhood Association.*

Pioneer Pals

Thursdays | 10:00am
WB Homestead at KF Park
2106 Klattenhoff Drive

With fall in full swing, are you looking for a morning activity for you and your young children to enjoy? Perhaps you'd like to build some early literacy and learning activities into your family's routine. Well, you need not go farther than your own neighborhood park. Pioneer Pals is a weekly program geared towards young children and their caregivers that meets at the Wells Branch Homestead. Each session starts off with story time with Ms. Gwendolyn. After some songs and picture books, children are invited to participate in a variety of activities around the Homestead yard. Each week will feature a craft along with a rotating assortment of games, sensory bin activities, and toys.

Come do the art project with Ms. Gwendolyn that is too messy to do in your kitchen. Watch your kids enjoy the fun of playing with someone else's cool toys. Meet other caregivers in the same trenches as you. Worried your kid can't sit still through stories yet? Don't! We're outdoors. There are sounds and movement all around. The pressure is off. Come join in and let's be friends! Pioneer Pals meets every Thursday at 10 a.m. at the Wells Branch Homestead located in Katherine Fleischer Park. This program is free and no registration is required.

A Safer Neighborhood Starts with YOU!

Travis County Sheriff's Office

Take a stand against crime. It is more important than ever to be vigilant within your immediate area and become aware of your surroundings. It's time to kick start these efforts by establishing a local Neighborhood Watch group on your block. Make plans and set a date after the 2026 NNO event to meet your neighbors and discuss how together, everyone can make our homes and our community safer.

Following the pandemic there has been a significant drop off in local Neighborhood Watch Groups. Just installing a "ring" camera isn't enough and posting a group message after the fact doesn't prevent crime. TCSO Deputy Robert Phillips, the TCSO command team and WBNA board members spoken at various meetings reminding everyone that the first line of defense is YOU. You getting to know your neighbors and recognizing what is "normal" on your street and taking action when something is out of place is the hallmark of the Neighborhood Watch program.

The WBNA is here to help. Since the pandemic we have hosted larger group meetings, but turn out was limited and follow up was slow. The TSCO Community Outreach Program is still active but has limited resources for individual classes. Working together the WBNA and TCSO teams can help you get your group succeed.

Here are a couple of links to help get your group started:

If you are ready to actively form a new Neighborhood Watch group, please reach out. We're here to help!
